

Tarheel Angus "Black Friday" Sale

2:00 PM EST

Friday November 25, 2016

Alamance County Cattlemen's Livestock Facility

7351 Beale Rd.

Snow Camp, NC 27349

Welcome to the Tarheel Angus "Black Friday" Sale

I want to thank you for your interest in our upcoming sale. The cattle business is changing at an alarming rate and it is easy to quickly become irrelevant if we don't change with it. In my cattle business at 4K Farms, I have embraced change. Technologies are allowing rapid genetic change in seedstock production. I also keep extensive records which allow me to document the animals that excel here in central North Carolina. These cattle also have the genetic merit to compete with any other high quality cattle. Again this year you will have the opportunity to purchase genomic tested commercial cattle. We are committed to genetic improvement and are working to earn your business.

Please print this document, it is your sale catalog, bring it with you.

The cattle will be sold at the Alamance County Cattleman's Sale Facility. Viewing will begin at 12:00 PM Friday. If you need to move purchased animals Saturday November 26, make arrangements with the clerks during settlement.

All cattle must be moved by 10:00 AM Saturday, November 26.

Settlement must occur prior to removing animals from the premise.

Cattle sell under the recommended terms and conditions of the American Angus Assn.

All persons attending this event do so at their own risk, legal, or otherwise, for any accident which may occur. No consignor, nor the Alamance County Cattleman's Assn. will be responsible for any injuries that may occur before, during, or after the sale has ceased.

The information given in this document is believed to be correct. Consignors will only consider misrepresentation of information within 30 days of sale.

Contact **cowbuyer.com** to register for online bidding no later than Tuesday November 22.

Registered Angus Cows

1 0409 8/9/10 [16879804](#) [S A V Bismarck](#) [G A R Predestined](#)

Angus Cow. Study this outstanding pedigree and EPD's. Top 25% or better of Angus cows for \$W, \$G, \$QG, \$YG, and \$B. Her sire Bismarck 5682 is one of the most proven bulls in the breed. Sells with lot 1A heifer calf by Connealy Black Granite. Black Granite offers top 10% weaned calf value, calving ease.

1A D659 11/16/16 pending [Connealy Black Granite](#) [S A V Bismarck](#)
Heifer calf, BW 64 Lb.

2 Y147 9/24/11 [17095892](#) [New Design 878](#) [B C C Bushwacker 41-93](#)

One of my best cows, calving interval 356 days. Weaning ratio 104%. Raises the keep'n kind of calves. Her first daughter just calved and is nice. I have high expectation for her yearling daughter by Absolute. She is due 11/23/16 to WR Journey-1X74, adding calving ease, performance, and end product merit. Added bonus Journey adds breed leading weaned calf value and exceptional feed efficiency.

3 Z219 4/5/12 [17275760](#) [G A R Retail Product](#) [B/R New Design 323](#)

Z219 is a granddaughter of G A R Precision 2536 purchased by Yadkin River Angus. 2536 is one of the legendary cows in the Angus breed with over 7 million dollars in progeny sales. Sells with heifer calf by Sydgen FATE 2800 born 8/8/16.

3A D643 8/8/16 pending [Sydgen Fate 2800](#) [G A R Retail Product](#)

Heifer calf sired by Sydgen FATE 2800, BW 71 pounds. Fate offers exceptional curve bending EPD's and great phenotype. Should make great cow to work on fescue.

4 Z225 7/23/12 [17368974](#) [Connealy Consensus 7229](#) [Rito 616 of 4B20 6807](#)

This Consensus daughter is as docile as they come. Her sire is a highly proven bull and a breed leader for weaned calf value, marbling, and feed efficiency. Her dam is a 14 year old pathfinder still going strong. Sells with a heifer calf D653 born 9/29/16.

4A D653 9/29/16 pending [Deer Valley All In](#) [Connealy Consensus 7229](#)

Deer Valley All In is the number 5 sire Angus for registrations in 2016. His popularity is due to genetic merit is almost every category. He is pedigree is full of outstanding breed changing individual animals. Her maternal grandsire lead the breed for registrations in 2014.

5 Z226 8/14/12 [17354331](#) [Basin Payweight 107S](#) [B C C Bushwacker 41-95](#)

Z226 brings the performance, carcass value, and efficiency of Payweight combined with the maternal merit of Bushwacker. Sells with bull calf Lot 5A BW 65 Lb sired by K C F Bennett Fortress. Fortress is a high fertility and growth Consensus son out of the popular Patricia cow from Knoll Crest.

5A D660 11/17/16 pending [K C F Bennett Fortress](#) [Basin Payweight 107S](#)
5B C539 9/14/15 [18321817](#) [K C F Bennett Absolute](#) [Basin Payweight 107S](#)

Yearling daughter of K C F Bennett Absolute. This popular AI sire is strong in maternal traits, carcass merit, feed efficiency and profitability. C539 was AI bred 11/12/2016 to Connealy Black Granite, not confirmed pregnant. (See his information on Lot 1).

6 Z234 8/28/12 [17377910](#) [Woodhill Foresight](#) [Rito 616 of 4B20 6807](#)

Woodhill Foresight cattle are long bodied, fertile, and moderate in size. Her dam is 14 years old and going strong. Sells with a bull calf D655 born 10/15/16 sired by Deer Valley All In. Calf birth weight was 64 pounds.

6A D655 10/15/16 pending [Deer Valley All In](#) [Woodhill Foresight](#)

Another All In calf. He should have good calving ease and balanced EPD's.

7 Z252 10/18/12 [17408030](#) [LCC New Standard](#) [G A R 6807 Traveler 4144](#)

Angus New Standard daughter from my winter calving herd. Due late February to 4K Timeless Z239 17377914. Sells with heifer calf D627.

7A D627 3/18/16 [18451956](#) [4K War Party A373](#) [LCC New Standard](#)

8 month Angus heifer. Genomic tests indicate top 10% \$W (weaned calf value). Top 20% heifer pregnancy. Top 30% calving ease and birth weight.

8 A301 1/15/13 [17447557](#) [LCC New Standard](#) [SydGen Mandate 6079](#)

Angus, New Standard daughter from winter calving herd. Due late Febuary to 4K Timeless Z239 17377914. Power, growth, and excellent maternal merit. Her first 2 calves weaning ratio averaged 114%. First daughter by War Party is top 1% WW YW and Milk. Tested DDC.

9 A320 4/10/13 [17540538](#) [4K Upward Y101](#) [G A R Retail Product](#)

Open Angus. First calf was ET, adjusted weaning weight 590. Sells with bull calf D654 sired by K C F Bennett Fortress. Projected EPD BW 0.3, WW 61, YW 105.

9A D654 10/4/16 pending [K C F Bennett Fortress](#) [4K Upward Y101](#)

Angus bull calf birth weight 60 pounds. Sired by Bennett Fortress. Fortress offers excellent calving ease, growth, maternal, and carcass merit. He is one of the top angus bulls for \$W (weaned calf value).

10 A345 9/1/13 [17732734](#) [LCC New Standard](#) [B C C Bushwacker 41-95](#)

Angus cow due March 2017, bred to 4K Timeless Z239 17377914. This pedigree makes moderate sized cows with good mothering ability. First calf adjusted weaning weight 606.

11 A347 9/2/13 [17688988](#) [Connealy Earnan 076E](#) [Nichols Extra K205](#)

Due to calve by sale date. Bred to 4K War Party A373. First calf by Absolute is nice. The cross of Earnan-K205 makes stout, fescue tolerant cows, with good carcass merit.

12 A364 10/4/13 [17688996](#) [S A V Priorty 7283](#) [PAPA Durabull 9805](#)

Angus cow calved 8/8/16. This young cow has an outstanding pedigree. I am keeping her first daughter by Full Power. Sells with bull calf sired by SydGen Fate 2800.

12A D632 8/8/16 pending [Sydgen Fate 2800](#) [S A V Priorty 7283](#)

Bull calf sired by Sydgen FATE 2800, BW 60 pounds. Fate offers exceptional curve bending EPD's and great phenotype. Herd bull potential.

13 A375 11/29/13 [17732736](#) [4K Upward Y101](#) [Hyline Right Time 338](#)

Angus cow due to calve late February. Bred to 4K Timeless Z239 17377914. Stems from cows at Sitz Angus purchased by Back Creek.

14 3614 3/6/14 [17784617](#) [Traveler T510 2510](#) [S A V Bismarck](#)

Angus cow due March 2017. Bred to 4K Timeless Z239 17377914. Daughter of Lot 1. I am keeping her first daughter by Counselor. Good maternal and carcass merit.

15 B416 5/2/14 [17879992](#) [PA Full Power 1208](#) [G A R Retail Product](#)

Open Angus cow daughter of lot 3. Sells with bull calf born 10/25/16. Her sire Full Power excels in all the economic indexes. B416 is in the top 1/3 of angus cows for \$W, \$F, \$G, \$QG, \$YG, and \$B. Sells with bull calf D656.

15A D656 10/25/16 pending [K C F Bennett Fortress](#) [PA Full Power 1208](#)
Bull calf birth weight 76 pounds.

I want to personally thank the consignors for allowing me to pick cattle from their herds to offer in this sale. Each are long term cattlemen and are committed to a "customer driven business." These are reputable operations and a joy to work with.

The feed back from customers of previous sales has been very encouraging. The goal is to offer young cattle with genetic merit that are adapted to our local environment. The mission is to earn your business and create a sustainable long term relationship by providing cattle that will work for you.
