Lot 101

Susan - Tag 0067
2/15/2016 *Twin*
Sire: JBH Pink 52 - Garrett 014 son
Dam: Trueblood daughter
Service Sire: RSS 0050 - Johnson & Williams' Greed son
Marked: 10/24/2016

This is one of our best young ewes with a promising future (we are retaining her twin). You can't overlook the power this one brings from behind in her square hip. Sire of this ewe was Champion and Reserve at Rockingham and VJSBA in 2014 as a buck lamb. He is also a 3/4 brother to JBH's top seller at the Midwest Elite in 2015. The female side of this ewe is a strong producer of multiple show and jackpot winners as well. Service sire was a chosen buck lamb for us this year with a pedigree of Trigger x Dale x AOK bred by Brian Johnson on the Greed side and out of one of our most consistent producing ewes.

Lot 102

Maggie - Tag 0073
3/10/2016 *Single*
Sire: JBH Pink 52 - Garrett 014 son
Dam: Strecker ewe
Service Sire: RSS 0050 - Johnson & Williams' Greed son
Marked: 10/27/2016

This ewe is tall fronted and elegant with plenty of bone and shag. She will surely produce lambs that will compete at any level. Service sire is a keeper buck for us by Greed which is a full brother to Brian Johnson's Ballistic and has a full sib that was the Champ Ewe at OYE. Combine this with a strong maternal side and you can't go wrong.

Lot 103

Cornerstone 5-G820c
2/6/2015 *Triplet* QR+
Sire: "Pimp Juice" Rule Sheep
Company - "Bullet Proof" x
"Panda" RR/NN
Dam: Greiner 820 "M&M" x
"Ultra" Granddaughter QR/NN
Exposed to: 5-924 - Our Impact
bred RR/NN "Arms Race x Impact
924 donor (Moneymaker x
Showbox) son.

924 is an Impact 620 Donor daughter. Brian says, "The Impact 620 Showbox ewe is a granddaughter of the dam to our Grand at Louisville. One of the best ewe families we have to offer."

We are only letting this ewe go because we have two triplet sisters at home. This natural colored ewe out of Rules "Pimp Juice" is extended in her design, shallow chested, while being big topped with a wide hip. We purchased her mother from Greiner Sisters in a group package a couple years ago and is stout from end to end and round ribbed. She milks like a cow and raised triplets last year as a 7-year-old. Mated to our 5-924 "Arms Race" RR/NN son who is moderate in frame, grooved topped with a super hip and leg. These "Pimp Juice" x "Ultra" x "Arms Race" lambs should make outstanding lambs next year.

Lot 104

Cornerstone 5-206B
3/18/2015 *Twin* QR+
Sire: Gunner (RRNN) "Sherman"
(Tank) x "Onyx" (Shell) bred by
McCann
Dam: CS-206 - QRNN "Tie"
(Slack) x "Meteor" Ellerbrock
(Pretty Ceaser x New Miller)
Exposed to: "Soldier" Ott,
"Powerball" x "100"

This moderate framed round ribbed ewe out of an outstanding Tie daughter should cross well with "Soldier". "Soldier" is a "Powerball" son out of a "100" daughter donor ewe who sired lambs that were competitive all across the country for Ott's and class winners and county fair

2016 VIRGINIA BRED EWE SALE

champions for us in his first lamb crop for us. He is massive topped "even as a yearling he has a deep groove down his top" and carries a wide flat hip with loads of leg. He is round ribbed, yet shallow and attractive in his chest floor plus stands on a massive foot with tons of bone. Combine that with the fact that he is RR/NN and has all the shag you would ever want.

Lot 105

Cornerstone 6-203B
3/1/2016 *Twin* QR+
Sire: "Soldier" Ott, Powerball x 100 RR/NN
Dam: CS-203 QRNN Tie (Slack) x Asteroid (Shooting Star x Edge)
Exposed to: 5-924 - Our Impact bred RR/NN "Arms Race x Impact 924 donor (MoneyMaker x Showbox) son. 924 is an Impact 620 Donor daughter. Brian says, "The Impact 620 Showbox ewe is a granddaughter of the dam to our Grand at Louisville. One of the best ewe families we have to offer."

This is one of two "Soldier" daughters that we have let leave the farm this year (The other placed 10th in the VA State Fair Carcass program). She is dammed by a "Tie" daughter that is a true brood ewe and in the heart of our flock. "Soldier" sired county fair class winners and champions at county fairs plus placing lambs at NAILE in his first lamb crop for us. Mated to our 5-924 our "Arms Race" RR/NN son who is moderate in frame, grooved topped with a super hip and leg should make super shaggy outstanding lambs

Lot 106

Greiner Sisters 1505
2/13/2015 *Triplet*
Sire: "Quantum" Whitaker 2180 (Impact x Garrett)
Dam: Greiner Sisters 1222 (Sherman)
Service Sire: Redifer Livestock "Big Show"
Due Date: 1/29/2017

This yearling and her twin were part of our show string last year, both winning their class at State Fair and elsewhere. She is sired by Quantum; our Whitaker ram whose pedigree is stacked (Game Face x Dead Miller). Quantum's lambs have gotten it done the last couple years, with 7 grands or reserves in 2016 alone. Her mother is a Sherman daughter and one of our foundation females. She is bred to Redifer's exciting keeper ram lamb who is sired by Showoff (Wheaton) from Ted Greiner. One of the best bred ones we have brought to VBES.

Lot 107

Greiner Sisters 1608
2/12/2016 *Twin*
Sire: "Quantum" Whitaker 2180 (Impact x Garrett)
Dam: Greiner Sisters 1308 (Fuzzy Dice)
Service Sire: Horner's "Lego"
Synchronized 10/18

This ewe lamb is also a Quantum daughter, and has the massive top shape, touch, and hip shape her sire is known for. Her dam, 1308, was a very successful show ewe for us, and was grand at Washington Co. in 2013. She is bred to Lego, a Picasso grandson, and due in March.

Lot 108

Greiner Sisters 1622
3/21/2016 *Single*
Sire: "Quantum" Whitaker 2180 (Impact x Garrett)
Dam: Greiner P1149 (Oxford x Karr)
Service Sire: Horner's "Lego"
Synchronized 10/18

This ewe lamb has brood ewe written all over her - big ribbed and topped,

square, and nice look. She is also a Quantum daughter and out of Kaylee's show ewe from 2015 who combines Ted Greiner and Karr genetics. We wish we had room in the keeper pen for this one. She's bred to Lego, sire of champion market lamb at 2014 State Fair.

Lot 109

Greiner Sisters 1624
2/16/2016 *Single*
Sire: "Quantum" Whitaker 2180 (Impact x Garrett)
Dam: Greiner Sisters 1421 (Corleone x Sherman)
Service Sire: Horner's "Lego"
Synchronized 10/18

This is another Quantum ewe lamb, and out of a Corleone (Simpson x Garrett) x Sherman dam. The Corleone daughters have done very well for us, and like our other consignments she has the Quantum muscle shape and squareness with a shot more extension. She is also bred to Lego, sire of Grand at 2014 State Fair of Virginia.

2/15/2016 *Twin* QR+
Sire: Garrett 14 by 803
Dam: TL 699 by "Razor"
Service Sire: "Shine Down"
("Keystone" x June donor)
Exposed: 10/1/16 - 11/16/16

This is a real genetic gem. Garrett 14 has done an excellent job for Michael Kibler and me. 699 is a solid producer too. She had an ewe that Ella Warns showed the last 2 years call "Beauty" and did very well hanging a few banners. P123 is big boned, wide topped, square hip, and moderate framed. Alpha Omega sold 9 yearlings in his dispersal that averaged over \$3000 sired by Garrett 14.

Lot 111

JBH 6-12A
2/27/2016 *Twin* QR+
Sire: 803 son by "June"
Dam: JBH 2-(9)12A by "Easy"
Service Sire: "Shine Down"
("Keystone" x June donor)
Exposed: 10/1/16 - 11/16/16

If you are looking for a highly competitive yearling show ewe for next year or a true stud ewe for the farm here she is. She is straight out of the heart of my program. This ewe family has been in my program for 30 plus years. I have kept more females out of this ewe family than any other and they always sort themselves to the top. This ewe is big ribbed, dead level, a super elegant front and hampy, shaggy as they come. She is also sired by the same ram as the 3rd overall market lamb at the 2016 VA State Fair. Her maternal sister sold here last year for \$1000 and a maternal wether was Grand at Orange Co in 2014. Don't miss this one. Buy with the utmost confidence.

Lot 112

2/19/2016 *Twin* QR+
Sire: Gross Purple by "Groovy"
Dam: JBH 1-(9)544B
Service Sire: "Shine Down"
("Keystone" x June donor)
Exposed: 10/1/16 - 11/16/16

This could be the best Gross daughter I have ever sold. She has big time potential. Big bodied, big topped, wide hiped. Throw in a shot of "True Blood" on the dam side for some extra special females.

Lot 113

JBH SP97
3/1/2016 *Single* QR+
Sire: Gross Purple by "Groovy"
Dam: TL 725 by "Razor"
Service Sire: "Shine Down"
("Keystone" x June donor)
Exposed: 10/1/16 - 11/16/16

The Razor daughters have been awesome, just like the Gross daughters are turning out to be. He also makes some really nice wethers including the Reserve at Rockingham in 2014, a top 10 in class at NAILE last year. One of the last Gross daughters I will sell. She is big boned, big footed and rugged built.

Lot 114

JBH R55
1/30/2016 *Twin* QR+
Sire: "March Madness" aka Garrett 62
Dam: JBH 3-374 "Pledge"
Service Sire: "Shine Down"
("Keystone" x June donor)
Exposed: 10/1/16 - 11/16/16

Selling this one will haunt me for a long time. She is out of a very successful show ewe. This whole ewe family is super good and easy keeping. 3-374 yearling daughter out of 803 was Champ Hamp ewe at Shen Co Fair this year. R55 out of March Madness could be her best yet and being bred to Shine Down who is super shaggy will be an awesome mating. Her as well as all of my consignments are out of the keeper pen but I can't keep 20 plus ewe lambs back.

Lot 115

JBH 6-727
3/1/2016 *Twin* QR+
Sire: "Man Among Boys" Alpha Omega 1555
Dam: TL 727 by "Razor"
Service Sire: "Shine Down"
("Keystone" x June donor)
Exposed: 10/1/16 - 11/16/16

This is the real deal here. Solid, complete with proven genetics to back it up. "MAB" was the biggest butt; widest hip ram lamb I have ever seen. He sired the Grand Comm Ewe at the 2016 VA State Fair. I liked him so much I bought his mom at the last Alpha Omega Dispersal. She is the most elegant female on the move I have seen with a hip you can't design any better. 727 had a \$2700 yearling in the Alpha Omega dispersal. This is one of only a few "MAB" daughters to be sold. He also sired a \$1800 wether that sold to a Texas buyer.
