PA PREMIER BRED HEIFER CONSIGNMENT SALE

Saturday, September 23

11:00 a.m. Educational Seminar: Extending the Grazing Season
Leanna Duppstadt, - Forage Graduate Student, Penn State University

1:00 p.m. 2017 PA Angus on Parade Sale
2017 Pennsylvania Premier Bred Heifer Sale

Auctioneer: Harry Bachman, 717-867-1809
Sale Management: Cowbuyer, LLC 336-363-4639

Thank You:

- **Dr. Lester C. Griel** for his veterinary expertise and continued support of the testing programs,
- **The faculty and staff of the Penn State College of Agricultural Sciences Department of Animal Science** for assistance and educational support,
- **Heifer consignors and customers** for their faithful patronage and dedication to this performance testing program, and
- **Allflex USA Inc.** for product support.

PENNSSTATE

Directions to the Pennsylvania Livestock Evaluation Center:

The center is between Pine Grove Mills and the Ag Progress Days site, approximately six miles southwest of State College on PA Route 45.

Southeast – From Route 322

Take the Boalsburg/Oak Hall exit to Route 45 West. Follow Route 45 West to Pine Grove Mills. Pass through the blinking light and travel approximately 2 miles. The Livestock Evaluation Center will be on the left.

Northeast and Northwest – From I-80

Take the Route 220 West exit. Continue to Route 322 East. Travel 322 East two exits to the Boalsburg/Oak Hall exit to Route 45 West. Follow Route 45 West to Pine Grove Mills. Pass through the blinking light and travel approximately 2 miles. The Livestock Evaluation Center will be on the left.

Southwest – From I-99

Take the Tyrone/Route 550 exit. Travel approximately 1 mile and turn left onto Route 550 East. Travel Route 550 East to Warriors Mark. At the stop sign in Warriors Mark, turn right onto Route 350 South. Follow Route 350 South to Route 45. Turn left onto Route 45 East. Travel Route 45 East approximately 6 miles, passing the Ag Progress Days site. The Livestock Evaluation Center will be on the right.

Pennsylvania Premier Bred Heifer Program

Auctioneer: Harry Bachman, Sale Mgmt: Cowbuyer, LLC

Management of heifers:

All heifers have been evaluated for an expected standard of reproductive measures. Heifers have a minimal pelvic area of >150 cm² prebreeding or >180 cm² postbreeding and reproductive tract score of 2. Prior to sale, heifers will be screened to insure appropriate frame, muscle, structural soundness, and disposition. It is required that meet a minimum USDA frame score grade of medium for cows (Medium = mature weight of 1,100 to 1,250 pounds with 0.2 inch of backfat at the 12th rib), in addition to meeting a USDA feeder calf muscle score of 1 or 2. (*This will be done by trained officials at time of sale.*)

Heifers will be bred either utilizing artificial insemination or natural service sires. All sires have their own individual identification with their respective national breed registry, and have a complete set of EPD's published by said breed registry. Sires are considered heifer acceptable, as defined by having and calving ease direct EPD that ranks in the top 33% of the breed AND a birth weight EPD that ranks in the lower 50% of the breed. Service sires being used in AI programs must have minimum accuracies of 0.6 on a scale from 0 to 1 for both EPDs of Birth Weight and Calving Ease Direct.

Health Protocol:

Heifers have been vaccinated and boosted for IBR, BVD, PI 3, BRSV, leptospirosis (5-way), vibriosis and 7-way clostridia. A booster vaccination against IBR and BVD was required between 60 and 30 days prior to breeding. Modified live viral vaccines for IBR and BVD were recommended. A booster vaccination against Leptospirosis (5-way) was required at pregnancy examination. Heifers must be treated for both internal and external parasites within 30 days prior sale. Heifers offered for sale must be tested and guaranteed negative for BVD-PI. Tuberculosis (TB) test were required for cattle consigned from states without a TB free status.

Terms and Conditions of Sale

1. Sale payments should be made using cash or check. All checks must be made payable to the "Cowbuyer LLC." No Heifer may leave the premises until properly paid for.
2. Each Heifer will be sold to the highest bidder.
3. The auctioneer will settle any disputes regarding bids that may arise. This decision will be final.
4. Certificates of registry, where applicable, will be furnished and transfers will be made by the consignor, at the seller's expense, to the purchaser within a reasonable time after the sale.
5. All heifers are at the seller's risk until sold and will be the buyer's risk after the sale. However, if not convenient for the buyer to remove the heifer the afternoon of the sale, she will be cared for up to a maximum of 24 hours after the sale at the buyer's risk. After 24 hours there will be a nominal fee.
6. Health certificates will be furnished by the Pennsylvania Department of Agriculture.
7. All Heifers are guaranteed bred and are guaranteed to remain pregnant for 30 days after the sale. Due dates are approximate. Females can range two weeks or more around due date even if they were AI bred. Some heifers were pasture exposed to bulls after AI. Rectal palpation for pregnancy is subjective and not exact because all cows vary in fetal development. AI Pregnancies are not guaranteed but highly probable. Gestation Length is based on average of 283 days, but can come very early or very late. Any Heifer found open (by an accredited veterinarian) within the 30 day period, will be returned to the consignor and the money will be refunded by the consignor. All guarantees are made by the consignor of the cattle.
8. All consignors subscribe to the Code of Fair Practices as established by their respective breed associations.
9. All claims for refunds or adjustments for any reason must be made in writing within six weeks of the sale date. The return of the full purchase price in any case will be deemed full satisfaction and settlement. The only guarantee made by the owner is for pregnancy for 30 days after sale or any conditions listed under the particular breed's Code of Fair Practices.
10. The above guarantee and terms of sale shall constitute a contract between the buyer and the seller for each heifer sold and shall be equally binding upon both. Neither the Pennsylvania Department of Agriculture, the Pennsylvania State University, the Cowbuyer LLC, nor any other person or organization connected with the management of the sale assumes liability, legal or otherwise, except to help make any needed adjustments.
11. All persons attending the sale do so at their own risk. Neither the Pennsylvania Department of Agriculture, nor any other person or organization connected with the sale will assume liability, legal or otherwise, for the safety in the buildings, on the premises or behavior of the animals.
