

Triple Oak Farms LLC Milking Herd & Bred Heifer Dispersal ~ Updates

Cattle have been vaccinated for shipping fever & were also given Inforce 3 for added buyer protection! Tremendous herd and bulk tank sample negative for Myco. Years of DHIA records and the top AI sires! Registration papers will be handed to buyer's sale day & buyers are responsible to transfer if they so wish and fee associated with that. Recent test was on April 2, 2018 with new weights below!

Thanks all for attending this tremendous sale & we wish you the best with your purchases!
