Registered Holsteins
Complete Dispersal

Friday, October 20, 2023 11:00 AM
Leavittsburg, OH

Welcome to the Klingendale Farm Dispersal,

We are a 4th and 5th generation family farm established in 1872. The farm today is operated by Dave and Lucille and John and Megan. Our daughter Lisa was a big part of the farm growing up and now lives in Wilmington, NC.

In 1980 we purchased our first registered Holsteins from Robert Mines here in Trumbull County. Still milking guernseys at the time we gradually converted the herd to all Holsteins by the mid 1980's. Classification has provided us with an education to the importance of functional type and was instrumental in helping us develop better cows through the years. I'm so grateful to my circle of Holstein friends that have helped me be more aware of what's working and what's not. Strong maternal lines and great udders have been my biggest priority. I've truly been blessed to receive 19 years PBR and the 2017 Senior Buckeye Breed Builder award.

In 2005 we lost our entire milking herd to a tragic arson fire. The herd was rebuilt with some key purchased animals and a large group of our own heifers. Improvement in our facilities at that time improved cow comfort.

Our passion for the Holstein cow and friends that share that same passion has made this a truly rewarding journey. As we say goodbye to our herd we wish their new owners much success. Thank you so much to the sale crew for helping us prepare for this Day!
