Proceeds from these lots to benefit the Eternal Families Tanzania. Donated by TRIPLE-HIL SIRES.

BREEDING REFERENCE SIRES

The breeding philosophy of Ja-Bob is one that has always looked to breed a balanced individual that has eye appeal and is easy to work with. I believe cow families are of utmost importance and have always looked for strong cow families when adding a foundation animal. I have used aAa for over 35 years. My interest in red and other niche markets demands that I look for unconventional sires that might be unproven or from another country. I believe that aAa allowed me to use these bulls with success and continue to build strong cow families, along with keeping strength and width in my cattle. I believe that you will see that ever-present today in the animals we have, both in adequate width, and great feet and legs. When mating an animal, I look at aAa needs first, then look further by using genomic values and pedigree to narrow the selection down to a complimentary mating. ~ Mark

EQUIPMENT SELLING

Sell as one Lot: Lely A4 robot w/MCQ, Central Unit, Atlas Copco SF4+ FF Air Compressor, Iodine pump, all stainless 1" pipes, Id reader-long range, CRS, three small ventilation fans, m4use buckets, tank valves, Lely roof covers

Lely A4 Robot

120 gallon Buffer tank

139 SCR Lely Collars (sell in two lots of 69 and 70) used 20 months

Plate cooler Skellerup 74mm

Robot pellet Feed auger approx. 135'

Robot pellet bin w 15' x 6" auger holds 1000 bu corn, 22 tons pellets

Parlor stalls Double-Six w/ press rail and Westfalia Surge air gates

Curtis air compressor (to run parlor air gates)

2700 gallon Mueller Bulk tank Ser. 36388A-98

Dayton High pressure pump

Wash vat

Filter box

20 Calftel units w/buckets (sells in two lots of 10 units)

Caf-cart

Plastic footbath tubs 2- 3' x3' and 2 - 3' x 6'

Mushroom container for shipper tank

34 HC semen tank

6020 SD Penta twin screw feed mixer

Keenan Klassik 80 feed mixer

52' Kelly plastic double chain feeder w/incline

32' Kelly double chain conveyor plastic

32' Kelly double chain conveyor wood

80' Patz belt conveyor w/plow 16" wide

10 - 8' concrete H bunks with tile bottom

Work/Trim chute

Foot trimming "Karl Burgi" chute

Kuhn Knight 8124 Manure Spreader (SL 124) (purchased 3-21)

Mensch 90" rubber scraper

Mensch 72" rubber scraper

Mensch 90" rubber scraper

Balzer Magnum 2600 tank

Manure pit hose 35'

5 J bunks

Titan 20' livestock trailer

Springer Magrath CPS 500 Drench pump

Misco PA201 Brix refractometer

Footbath 3' x 12' Stainless steel

Allied Industries Feed cart Weigh buggy (been raised)

136 freestalls

Animat Rubber mats over 4000 sq feet

Roll of plastic to line feed bunks

Delvo ampule milk tester

Koster Moisture tester w/scale

2 show boxes

Ber-Vac 8' Snow Blower

3 - 10' calf troughs

Dehorner

2 calf pullers

Rubbermaid water tank 50 gal

Many miscellaneous dairy equipment items.

Final listing available at sale. Items may be added or removed from sale list if needed. Some equipment that sells will not be available for removal until November 20, 2023. The attached items will need to be removed by December 10, 2023, unless other plans are pre-arranged with the owner.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, March 26, 2010 and March 24, 2016

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving. The sex of an embryo or fetus is in no way guaranteed.
- 3) **Breeding Warranty**
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
 - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

For more details, call **1-855-955-2100** or visit us at www.triplehilsires.com

The close of my farming career at Ja-Bob Holsteins opens a new venture at Eternal Families Tanzania (EFT). EFT is an orphanage in Tabora, Tanzania, but not an orphanage in traditional sense. Instead of a large number of orphans being housed in a group setting of 50 or 100, it is a village. A village where ten houses have been built and each home has a set of loving, native parents who have committed their life to raising 13 children. They will provide love, food, education and spiritual growth for all the children. The children come from many walks of life, but all share one common problem. They are orphaned because their parents died of malaria, TB or HIV.

Joy and I first became involved in 2019 when we felt led by the Lord to build a home. We committed to raising \$65,000 to build House #3, which is now known by the name "House of Joy", because the house verse in 1 Thessalonians 5:16 "Rejoice always". Most of the funds were raised by the ministry Junk for Jesus, where I take scrap metal people donated and recycle it. Our church, Eaton Community Church, also donated towards the cause. As the ministry grew, EFT started purchasing bush ground and clearing it for farming. Over 100 acres of land has been cleared by hand, and farmed by hand, all aspects including tillage, planting and harvesting. In 2022 ECC and Junk for Jesus, again partnered to buy a 75 HP Mahindra tractor and some implements to help with the farming. Another 100 acres has been purchased and currently being cleared for farming.

My wife and I made a trip to EFT in April 2023. Little did I know this would be another defining moment in my life. We saw 55 acres of white corn, 25 acres of sunflowers (grown for the oil), 20 acres of sweet potatoes, along with several acres of peanuts and rice, being grown for food. They have a fishpond full of tilapia being raised. Each house has a large garden growing behind it with a variety of vegetables. Plans were being made to raise chickens for both eggs and meat. Then, the conversation turned to milk. The goal was to be food independent and self-sufficient.

It was here I received the call to build a dairy for EFT. I knew it would require much planning to build a proper facility for East Africa and find the right cows to fit the environment. I knew that required a sacrifice on my part to serve Christ in this way and I would need to sell my herd to dedicate my time and efforts to this project. My first trip back will be in February 2024 to research facilities, feed rations and locate cows. We have frozen some embryos from our red, slick cows and hope to take them to a friend's farm in Kenya to implant in to recipients; with the hope of one day have slick red animals at EFT milking.

Many have asked how they can help. You can donate directly to me to support my mission work, or if you please, a tax deductible donation can be made to "Remember the Children" to help build the dairy or purchase a cow. Remember the Children is a non-profit that is instrumental in building EFT and my partner in transferring funds securely to Tanzania. Joy and I now serve on the EFT board of directors and we greatly appreciate your prayers and support.

Thank You

It is with great gratitude and appreciation that I express my thanks to the dairy industry for the support and opportunities I have had with our cattle over the last 42 years. There are too many people to list that have believed in me, mentored me, taught me, and disciplined me, both in the art of breeding better cows and my spiritual walk. My prayer is that these cows and heifers go onto great homes that will appreciate them and use them -to help fulfill the dreams of the new owners.

- Mark Yearzel
