### Sale Managers Note:

TWO Tremendous herds sell in the latest edition of the Milk & More Sale Series

Leona-View Holsteins offers a well-bred herd of tight uddered Holsteins of both colors, Black and Red. The Jenkins Family is downsizing their herd. They are not pushed but are bred to milk a bunch. Most are first and second lactation along with several sharp bred heifers.

Crest-Valley Holsteins cows crank loads of milk from nice udders. The Campbells have been genomically testing since it was available and have just surpassed 31,000 RHA. Numerous cows are A2A2 and have GTPIs up to +2800 & DWP\$ up to +1055.

Both herds have low SCC and have great health protocols.

**LARGE VOLUME BUYERS & OUT OF STATE BUYERS NEED PRIOR APPROVAL FROM SALE MANAGEMENT IF BUYING VIA COWBUYER.COM OR SALE STAFF THEN FULL PAYMENT MUST BE MADE BY MONDAY, OCTOBER 2, 2023 VIA WIRE TRANSFER, CREDIT CARD OR OVERNIGHT SHIPPED CERTIFIED CHECK! NO EXCEPTIONS**

**REAL-TIME BIDDING ONLINE AT [WWW.COWBUYER.COM](http://WWW.COWBUYER.COM)**

**AARON RAY TOMPKINS**

**Aaron Ray Tompkins – 336/363-4639, [atompkin@vt.edu](mailto:atompkin@vt.edu)**

I have always considered dairy farming a marathon rather than a sprint. After 27 years it is time to finish the race. As I think back to one of the first sales I attended (Maple-Flat dispersal), one of the first cows I bought stands out. We will be selling family members of that cow. The last animal we purchased is the only animal we are selling today without the Leona-View prefix. I have always worked to breed a more functional cow that will last many lactations. Growing up in Bradford County I have had the opportunity to see many great cows and herds that helped me shape my herd. Although we are not completely getting out of the Holstein business, we will continue to raise some heifers. These cows have served us well, most importantly they have helped Tracy and I raise two great kids. They have helped Kendal and Landon develop a good eye for cattle, as well as a great work ethic. This herd would not be as good as they are without their help. We wish you the best with the purchases you make today.

A sincere thank you,

Jim, Tracy, Kendal and Landon Jenkins

# Welcome from Crest-Valley Holsteins

In 1951 my father bought the farm we are currently at. He chose to pursue Registered Holsteins and bought a few to get started. On occasion as money would allow, he'd buy one or two more plus he started building his own herd from previous purchases. In 1965 he expanded from the original 24 cow herd to the current 50 cow tie stall. In the early to mid 1990s he handed the cows over to me and said, "do with them as you wish". I followed his path with management and breeding. At that time, I set some goals I wanted to achieve. I was introduced to genomics by a couple of AI companies, since the inception, I've genomically tested all my heifer calves. Through the years and with the help from genomics, I've met my goals I had set for myself. Now it's time for the next step in life. I am keeping all of my heifers and calves to continue working towards another goal I have set. I'm still like a kid at Christmas when the "genomic Tuesday" rolls around with another set of genomic numbers on a batch of calves. In the future I plan on selling fresh heifers, either by private or commissioned sales

Date: \_\_\_\_\_

This is not a Binder until accepted by Insurance Company Representative

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

### 3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
