Welcome From Outfront Cattle Service!

The Mountain Empire Charolais Association and I would like to invite you to the 2020 Appalachian Classic sale. I think as you evaluate this offering you will discover a powerful offering of top-end genetics representing some of the best genetics the consignors have. We have a great group of herd bull prospects that have the performance, quality, EPDs., and pedigree to lead any herd! There are some awesome females in production, some great young cows and bred heifers and several fancy open heifers! The Embryos and Semen are genetics that will enhance your program to the very best of the breed.

Proceeds from a very special offering of Embryos, Semen, and Feed donated to the Tennessee Junior Charolais Association. Please support the future of the breed and the cattle industry for Tennessee Junior cattle people!

It was felt that there were too many sales in this area for the current market, so the South Carolina Association gave up their sale date to help make the Appalachian Classic a cornerstone of spring sales. Our apologies for this date falling on Easter weekend. We certainly didn't want to interfere with one of the most important Christian observances, but this was the only weekend available, and it won't happen again for some time. We will try to quickly conduct the sale so people can travel home for Sunday services.

Again, let us know if we can be of assistance, and look forward to seeing you in Knoxville!

CONSISTING OF A MINIMUM OF 6 FROZEN EMBRYOS OR PROPORTIONATE REFUND.

This magnificent first calf heifer shows why she should be considered for flushing! She has a perfect udder, has a phenomenal heifer calf at side by Sparrows Braxton. She topped the 2019 Sale of Excellence as a bred heifer at \$9750.00. Her dam, B2011, was a "Pick of DeBruycker's" and has turned into a fabulous donor cow. She averages 27 embryos per flush. (3-embryos sell as Lot 66). She had several ET calves in the 2019 sale also that were the highlight of the sale. She has a heavy influence again this year. Her dam, JDJ Ms Spur R160, is also one of great cows in the DeBruycker program. R160 is also the dam of herd sires, JDJ Resource Z365 P, JDJ True Mark T39, and JDJ Duplicity Y420 to name a few. Also, some powerful full ET sibs to B2011. Ms Kincesm and her fancy baby will be on display at the sale for you to evaluate one of the most impressive young cows in the breed!

15A: Pld bull calf born 1/24/20, sired by M6 Fresh Air 8165 P ET, M812256. A great Cigar daughter out of Double-H's great cow family, Elvira 120M. This powerful bull calf already shows tremendous thickness and growth. A great working cow that has a valuable coupon at side to make a herd sire for you or definitely a great investment, possibly pay for the whole package.

Due 3/24/20 with sexed heifer semen from WC Milestone 5223 P. This big, stout cow should be a great compliment with Milestone. Her dam was sold to Wild Indian Acres and he later sold her to Double-H for their ET program. She traces back to the great Duke 248 donor cow that Double-H and Southern Cattle derived some great progenies from. Milestone, a top price commanding sire from Wright's has become one of the more popular sires in the breed!

Safe in calf 45 days on 1/20/20 to Bamboo Mokie 6353 for an early fall calf. Another Ms Impressive 405 granddaughter out of the powerful New Standard 842. Theresa's sire is the illustrious LOF/VPI Abraham 48A, one of the most impressive sons of Grid Maker 104 PET. His dam, Tiara H116, was still going at 21 years of age last year. She has 68 calves registered to her at AICA. Quite a functioning pedigree for profit here!
