

2023

NORTHEAST AMERICAN BRITISH WHITE PARK SALE

Pride of the Park V

— Friday, October 6th at Wenger Farms —

251 S Race St ~ Myerstown, PA

5:30pm Beef Cookout

7:00pm Auction

Pride of the Park Sale 2023

Welcome!

The Northeast American British White Park Breeders would like to extend our appreciation for your attendance at today's sale.

We have assembled a nice selection of cattle from 12 respected breeders to offer you today. Whether you are looking for a show prospect or quality cattle to take home and graze in your pastures and produce quality calves we believe you will find the cattle to suit you here today.

If you have questions about the breed or individual cattle we invite you to call the breeders that have consigned cattle to the sale, you will find them listed in the back of the catalog.

This 5th edition of the Pride of the Park Sale will be a bit different from past sales. Cattle may be viewed in paddocks all day Friday until sale time. We will then gather for the auction in a building adjoining the pasture, where we will sell the cattle with pictures on the big screen while the cattle stay relaxed.

Thank you for your attendance and support!

Farm Manager: Glenn Wenger 717-554-3920
Sale Co-Manager: Matt Brown
Catalog Design: Kyle Wenger

Wenger Farms • 251 S Race St • PO Box 409 • Myerstown, PA
17067 • Office Phone 717-866-8400

General Information

The ABWPA allows breed up, in the first generation either the cow or bull must be 93.75% pure which is the highest level that the breed records. Each successive generation must be sired by a 93.75% White Park bull. In the breed all bulls must be 93.75% to be purebred and registered. Females are considered purebred at 87.5%. As an example a 75% female bred to a purebred bull will produce a purebred heifer calf.

Horns: Horns in the breed are rare and the association will not register horned animals.

Scurrs: Scurrs are small growths where horns usually are, they never attach to the skull and therefore will wiggle when handled. Scurrs are acceptable and registerable in the association.

Lodging: Hampton Inn - Lebanon
1601 E Cumberland St
Lebanon, PA 17042
(717) 277 - 7221

Directions: On the farm at 251 S Race St, Myerstown, PA, 25 miles north of Lancaster, 18 miles east of Hershey. From the intersection of routes 422 and 501 in Myerstown proceed south on route 501 through the traffic light at main street to the second road to the right which is appropriately named PARK St, turn right on park street and proceed three long blocks to the T at race street and you are there.

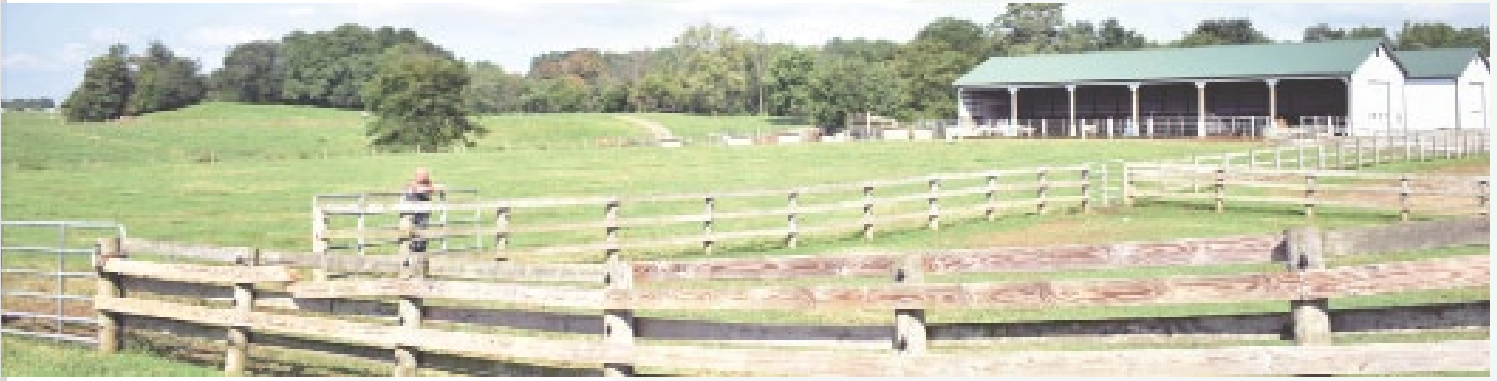

Health: Each animal sells with a state approved health certificate for interstate shipment. Buyer should make themselves aware of requirements for their respective states. Most of the cattle are calfhod vaccinated, wormed and vaccinated for shipping fever.

Breeding Guarantee: All heifers are guaranteed to be breeders. Bred heifers are by definition considered breeders with no further guarantee. Open heifers are guaranteed open and that they will breed. The extent of this guarantee is the purchase price of the heifer and the buyer must return the heifer to our farm to receive reimbursement.

Liability: Each animal will be at the buyers risk as soon as sold, but will be cared for by the seller for a reasonable amount of time.

Auctioneer: Harry Bachman, Annville, PA
Phone 717-867-1809 AU000033L

Notice: Announcements made sale day take precedence over printed material.

The hardest WP Cow for me to sell is this one, there has not been a Cattleman of any breed through Gettysburg that has not been in awe over this girl. Most think she's a Cross, her daughters are always our higher sellers and if you want to show WP Heifers this one is the one you need to own. Due to Sexed Female Gateway Follow Me (Angus) 2/28/2024 confirmed 9-11-2023. This will be exciting to see, and we will gladly help the buyer market her Calf in 2024 if they so choose. Check out this year's Daughter Lot #3 in this year's sale.

Marigold is a nicely framed heifer who will make an excellent brood cow in anyone's herd. She is out of Mountain View Guinness. Marigold is due to calve on 11/11/23. She is bred to MyTown Kicker. Marigold's dam is one of our better brood cows that always produces and raises us a quality calf. The dam is sired by Keyhole Victor who is a bull that is no longer available but he produces some quality animals for us and others.

Ginger is a quality open heifer who just turned a year old. Take her home and breed her how you would like for a late summer or fall calf next year. Ginger is halter broken and was recently shown at the NYS Fair. She was a reserve division champion and as she matures and grows into her frame she will develop into a nice cow down the road. She is sired by MH Dozer, a Heavenly Acres Antonio son and her dam is a Trooper daughter and one of my most rugged brood cows, Lots of opportunity here.

This one is a looker I crossed 3 WP's with the Famed Angus Bull Conversation and boy it did not disappoint. This one is out of our 2019 National Champion Female Ivory Empress. This girl is first year Kid show broke and ready to rock the AOB division as a 1/2 Blood WP. She is sound as can be, Barrell Ribbed, Clean fronted and a head and ear set as pretty as you can make one on any breed..... this is a do not miss opportunity. When your done showing her take her home and breed up your herd, half the work has been done.
