

Pen-Col Gamechanger 3

Pen-Col Legacy Best EX 90 @ 3-10
2-0 365 35270 3.6 1269 3.3 1150

-pictured fresh and milking 138 pounds a day.

EX Mammary - Ex legs and feet- average stature-good
width of chest- perfect for free stalls!

She is the Second dam of 27 lots in the catalogue.

Friday, September 15, 2023 - 12:00 noon EDT

*Sale will be conducted online with Real Time bidding on Cowbuyer.com

Growing up on a dairy farm and participating in 4-H, I showed cattle at the Bloomsburg Fair, PA-All American, North American Dairy Show and PA Farm Show. I missed many days of school but never let school interfere with my education. Real life experiences have been (and still are) the way I make my breeding decisions.

I have had the pleasure of milking the daughters of Ivanhoe, Kingpin, Elevation, Valiant, Astronaut, Bootmaker, Arlinda Chief, Blackstar, Conductor, Sexation and Duster- just to mention a few. I have learned that sometimes when breeding cattle things just click and magic happens! This is the way I look at the Frostbite x Gameday offspring at our farm today. As the photos show, they are an exceptional group of heifers and bulls that not only have outstanding individual conformation but also outstanding genomic values.

Frostbite is not the only bull I have used here in the past 18 months, but his daughters easily top the charts as our best individuals for type and genomic value. On the August genetic evaluations, Gameday and Granada (Frost Bite's sire) became dependable daughter proven sires by adding hundreds of daughters to their proofs and they went up securing the confidence breeders can have for the future breeding value of this mating.

My breeding philosophy has been based on a simple and common-sense formula. If you breed high ranking genomic heifers from good cow families to the best genomic sires, you will create some great ones. If you add to that the prolific embryo production record of these families, it multiplies your chances for success exponentially.

As they say, "information is power" and the excel file will give you detailed information on the potential of the cattle offered.

I hope you will take time to look through the catalogue and consider bringing Pen-Col breeding into your programs. Many of these heifers and bulls will impact the Holstein breed in years to come.

Sincerely

Denny Wolff

Our granddaughters McKenna and Ciera with Pen-Col Legacy Best
