

Welcome to the New Generation Brown Swiss Collection Sale. We are proud to offer a collection of high impact sires that have limited availability for use today. These are sires that have made an impact for Brown Swiss breeders around the globe. One important first notes is that all semen is considered domestic to the United States of America, there will be no international sales and no implication that the semen we offer is exportable. The semen has been consigned by New Generation or one of our great customers. Please find below our terms and conditions and follow them when you are bidding. Thanks for your interest in Brown Swiss Genetics and should you have any questions please feel free to call anyone on our staff.

**Terms of the sale:**

- Payment is due to Cowbuyer 5 business days after the close of the sale.
- Shipping is at the buyer's cost and responsibility.
- Units purchased can be used to qualify for New Generation Genetics normal freight and shipping schedule. Orders of 30 units will as always incur only a 20\$ Freight charge inside the US.
- We also recommend using World Dairy Expo as a great way to get items shipped as tanks are coming and going in every direction that week. Please plan to make arrangements as everyone is very busy starting the week before and the week of World Dairy Expo.
- While we will happily help arrange shipping for anyone that purchases, we ask that all units have Satisfactory arrangements for pickup of delivery need to be made within 90 days of the sale close.
- After 90 days anything left, without an arrangement, will be considered as abandoned. and will become the consignor's property.

Thank you to all bidders and buyers and good luck.
