# THE SALE OF EXCELLENCE

## SATURDAY, JUNE 20 AT 1 PM

## A NOTE FROM OUTFRONT CATTLE SERVICE

Dear Friends

2020 will certainly go down as a much different year than what most of us had planned. What hasn't changed is the dedication of the Charolais breeders to continue breeding and merchandising high quality cattle. The resolve and spirit of the agricultural community always comes through as the backbone of the nation. Therefore, we have again planned a great 21<sup>st</sup> Sale of Excellence with a few changes to make it all work. I truly believe we have the best set of cattle from end to end that we have ever had in a sale. I made this comment to a friend and they said, "you always say that". That's probably true, but I sincerely believe our breeders are coming through with a better set of cattle every year and more of them! We have several lots representing some of the high sellers from previous years, like the B2011 and her bred heifer from last year D3116, that continue to justify their place in the breed. Like the RE Ms. Duke 745 that topped the sale a few years ago at \$15,000, (\$17,500 with calf), that has 6 exciting daughters in the sale. And some new powerful genetics like the Dam of DC/BHD King F2503, the high selling Bull in DeBruycker 2019 bull sale, what an opportunity to add a major donor to your program. The choice of all Braxton bull calves born in spring 2020 from all the syndicate members, I don't ever remember something like this happening in the breed! We have a tremendous educational program for you Friday evening at the motel headquarters, with catered meal. We have taken measure to practice the social distancing with mask available and hand sanitizers. We will also offer [www.Cowbuyer.com](http://www.Cowbuyer.com) for you to watch and bid online. Another fantastic year for the Sale of Excellence! You don't want to miss this event of high performing Charolais cattle!

Sincerely,

*Dennis Adams*

JDJ MS CIGAR B2011

82 LBS BRAXTON OUT OF 1ST CALF HEIFER

AC MS CIGARS ILLUSION 274

Pick of All Sparrow Bull calves born spring 2020, (January 2020 to June 1, 2020) from all the American Syndicate owners listed below. Not all the owners have bull calves born in this time period, but a list of all potential bull calves will be available before the sale. This remarkable Braxton has sired some of the top selling offspring in Canada. He was the high selling bull in 2016 in Canada at \$106,000.00. His gestation period appears to be shorter with smaller calves that grow rapidly with tremendous thickness and eye-appeal. His daughters are becoming well known their maternal ability with superb udder quality and volume. The dams of these choices are some of the "Who's Who" in the Charolais industry. This includes the great donor cow, JDJ Ms Cigar B2011 that had a daughter top the 2019 Sale of Excellence at \$9750.00. The Illusion 274 has two super exciting full sibs in the selection. The calf shown in photo is out of a first calf Dutton heifer, calved unassisted with 82 lbs calf. This out-cross offers tremendous and rare opportunity for a forward-thinking operation. Selection must be made by August 1, 2020. Buyer get Full possession, 1/2 interest, with 1/4 interest detained by seller, and 1/4 interest goes to all Braxton Syndicate owners. This will get that choice plenty of promotion!

SELLING 3 EMBRYOS

ARLITT, EVANS, ROCKING S

Ms Kincesm D3116, was the high selling lot in the 2019 Sale of Excellence going to Kyle Reaves, TN. She has become a star in her own right with a spectacular Braxton heifer calf. This pair will be on display at the 2020 Apalachian Classic sale where a flush will sell in D3116. She has a gorgeous udder quality, good size, and Kyle describes her as an extremely easy-keeping kind of female, especially with being a first-calf heifer. Her EPDs rank her in the top 15% for WW, 3% YW, 25% Milk, 15% MTL, 20% CW, 7% REA, and top 3% for TSI in the breed. Her sire Kincesm, is an outstanding performance sire and you will be hearing much more about him in the future.

**Sells bred A-I on 12/20/19 to JDJ Maximo A18 P, Safe in calf.** If you study the RE Ms Duke 34, you see the same image as in 865, deep-bodied, thick, incredible volume! The Zen daughters are proving to be some of the best broodcows in the breed. Many high selling bulls at DeBruycker's are out of Zen daughters. They have beautiful udder quality, moderate frame, and great dispositions. This marvel- ous heifer has all the credentials for success!

A heavy milking recip cow bred by Thomas Ranch, TX., carrying a fantastic embryo mating out of the legendary donor cow for Rick Evans, L428. She produced embryo up to 18 years of age with over 84 progenies registered with AICA. Sel-man's, Arlitt's, Reaves', and Tom Knicker all have Smokester daughters out of L428. Several breeders are using sons of L428 including DeBruycker's, Bruce Roy, Fitch Bros, Russell Williams, and Rick Evans.

**Bred A-I on 2/26/2020 to M6 Cool Rep 8108 ET, safe in calf.** This is one of the top mating ever conceived at M6 masterful program. The 6100 was the top selling female in the 2013 M6 Sale, to Double-H and North Grove for their elite ET program. A son, M6 Law & Order 577 topped the 2016 M6 Bull sale at \$19,000. This mating to Cool Rep would duplicate the M6 Law & Order bull, giving you a full sib to that \$19,000 sire. You can make lots of choices in breeding cattle, but this is definitely an easy choice to consider owning the best available.

**DUE: 9/10/20. Recip is a black cow # 115.** JDJ Curlin X161 was selected at DeBruycker's while Harlin and Sue were there selecting their "Pick of the Herd" from a previous Sale of Excellence. The immediately decided they had to add X161 to their ET program. The Curlin daughters have topped many sales recently, the first being Candy Sullivan's Inaugural Sale at \$17,000.00. CUrlin's dam K1509 is perhaps the most impressive Cigar cow!

**DUE: 9/26/20, recip is a 7-year old black cow, # 156R.** This unique mating will be quite interesting with the line-breeding to Cigar. Cigar is one of the bulls that has been line-bred numerous times with great success. X161 is already line-bred Cigar on top and bottom. Few bulls have had the impact in the breed as Cigar. His daughters are usually some of the most sought out genetics in any sale and have topped the National sale numerous times.

**A Mating of Matings!** This straight DeBruycker pedigree gives you an edge to grow you own bull out under your environment and management. You can wait and pay a large bonus to get this future herd sire at breeding age or invest now! B2011 is writing a marvelous record into the Charolais books, a super producer, averages over 25 embryos per flush, several over 30! King calves are already setting high marks, easy calving, lots of growth! Recip is 7-Year Old black cow, PE to Charolais bull.

This bull would be a full sib to the high selling Bred Heifer, D3116, that topped the 2019 Sale of Excellence at \$9750 to Kyle Reaves, TN. D3116 has a fabulous calf, born unassisted, terrific udder, good size and quality and already made it to the donor pen! The Kincsem bull is loaded with meat and size! He ranks in top 6% WW, 1% YW, 4% MTL, 6% CW, 25% REA, and 1% TSI for breed EPDs. B2011 is in top 2% for REA EPDs. This mating has the highest TSI number for all the embryo matings in the sale! Recip is 6-Year old black cow, PE to Charolais bull

**DUE August 2020, Recipient is a black cow.** Wow! A maternal sib to JDJ Maximo A18 P sired by the very popular M6 sire, Bells & Whistles, a son of M6! A bull or heifer calf would be a very valuable addition to any herd. These astounding numbers would elevate most herds and be a great breeding and merchandizing tool! This would be like having a "rock-star" leading your herd!

**DUE August 2020, Recipient is a black cow.** A full sib mating to Lot 95, again, gives you a fantastic choice to move a program to the very top of the chain. Y322 is one of those wonder cows! She actually raised twin bull calves one year that weaned over 650 lbs each. She has a perfect udder, is a big powerful cow with great disposition, sound, correct, and the kind that you would like to have all your cows created in the same image.

**Sells bred A-I to DC/BHD King F2503 P.** King is a homozygous Polled sire. His first calves are awesome to say the least. FS1760 is a large, performance heifer with tons of volume, natural thickness, and style! He dam was a Pick of the Herd from DeBruycker. Her dam is a paternal sib to BHD Reality T3136 and BHD Sly Illusion T3132. The E197 TW is the dam of Camp Cooley's \$21,000 Pick of DeBruycker herd, the JDJ Ms Perfect G166.

**Sells Open, ready to flush. DeBryucker will offer to take her to where they transplant, if you wish, for you to flush in their cooler summer environment and where they are familiar with her ET protocol, and ship later in the fall.** This powerful matron could also earn the title of "Miss American Beef" as she is a perfectly described Charolais Beef Cow! Big, voluminous, sound, correct, great udder quality, and gentle disposition. She has been a monstrous producer of high quality offspring. Her first appearance was when her son, DC/BHD King F2503 P topped the 2019 DeBryucker Bull Sale at \$24,000.00. 13 breeders from across the U.S. syndicated this homozygous polled sire. She has produced 3-natural heifers with indexes of 114%, 99%, and 127%, and a bull at 125% weaning ratios. 5-ET bull calves have sold for \$48,250 in 2019, DeBryucker's have kept 5 full sib heifers in the herd. She has produced 18 ET calves in the fall of 2019 sired by DC/JDJ Pegasus D3330, 10-bulls and 8-heifers. Isn't it about time for you to own one of the greatest cows in the Charolais breed? Team up if you need to, but go home with this powerful addition to your herd. Ms. Cobalt will not be at the sale but will be delivered free of charge to a central location anywhere in the continental U.S. (Satisfaction is guaranteed) Ms. Cobalt Z767 evolves from the largest Charolais herd in the world and has surpassed most all in that herd!

**Will be selling in 2-groups of 5 or winning bid can take all 10.** This is a one-time only offer in 2020. This elite sire has more than proved his ability in siring superior calves in just his first crop. They have been described as very uniform and consistent. They have been in good, narrow range of birth weights, and have been used in 13 herds located all over the U.S. He is homozygous Polled and 50K tested. Semen to be shipped from Bovine Elite.
