celebration

Thank you for joining us as we celebrate nearly 40 years of building our herd of registered Black & White and Red & White Holstein cattle. The herd is built on a strong foundation laid down by Todd's parents, EJ and Joyce. EJ was a firm believer in dairy strength and bred for big, strong cows. So, when we purchased the entire herd in 1986, the framework was there, forming a solid base to continue building the pedigrees. As Todd was growing up, as well as after he took over the herd, there were a few strategic purchases to seed what we feel have become our matriarch families. We have never wavered from our focus on building deep pedigreed cow families. Families with a strong foundation to breed from for generations. The Egypt family. The Prudence family. The Roulette family. The Neon family. The Magic family. The Robin family and the Lana family. You'll see each family well-represented inside this catalog.

We've worked together with our children, Jake & Paige to build this exceptional herd of Holsteins.

It truly is our honor to present them for you, and we're excited to see their legacy carry on with their new owner/breeders.

Thank you for being a part of our Celebration!
-Todd, Trish, Jake & Paige Hoesly

Robehnk Inspiration *egypt* EX92 5E GMD DOM
301,440M 11,570F 9,306P lifetime

Egypt is probably one of our most well-known individuals.
She goes back to the 1970 purchase of one of the very first registered animals
for the Hoesly family, R&E-Gust Irene Reflection.

Egypt was every dairyman's dream - a cow that did everything right.
She was a prolific producer, a type transmitter and overall trouble-free cow.

Her daughters included three scored EX92, three at EX90 and three VG.

Her offspring continued to transmit and over the years grew into

the influential *egypt* family.

Hoesly Tab *prudence* EX94 3E (96 MS)
249,240M 9,712F 7,250P

Senior Champion, District 6 Black & White Show, 2006

Prudence stems from the great, Wileeda Tradition Palma EX90 2E GMD DOM, a cow that Todd's brother-in-law, Roger Behnke worked with while the herd manager at American Genetics, Inc. in Middleton, WI. Roger had the chance to acquire Boutonniere embryos from his favorite cow, Palma, which were put in here at our farm. As the family was housed and developed here, the transmitting ability of the family was undeniable.

Prudence was another cow that just did everything right. She had eight calvings from eight straws of semen. She was an absolute joy to see every day walking into the barn.

She had a beautiful feminine strength that comes through all of her progeny.

She was an easy pick as one of the matriarchs.

The *prudence* family.

• Extended Pedigree Listed Above....

Hoesly Dundee Rhianna EX93 2E

Nominated Jr. All-American Senior Two Year Old, 2012

Daughter of Hoesly Skychief *roulette*-ET EX90 GMD
302,400M 11,919F 9,506P lifetime

**Roulette's dam, Clover-Mist RB Roberta VG88 GMD DOM
was purchased at the Clover-Mist herd dispersal.**

**Roberta's next 4 dams were all VG or EX and all were GMD DOM.
So it's no surprise that Roulette herself would prove to transmit her
exceptional udders, rumps, longevity and high production.
Amassing females to build the *roulette* family.**

Hoesly Redwood *neon* EX91

Nominated All-American Red & White Summer Yearling, 2007

Neon is fondly remembered as being our first All-American nominee and gets the credit for jump starting our love for the Red & Whites.

Neon's fourth dam, Wildvale Inspiration Neosho EX91, was purchased at the 1990 Green County Heart of the Wheel Sale. Todd and Trish were newlyweds, and Trish, having no farm background at all, was just starting to learn about good cattle.

With her budding keen eye, she spotted Neosho in the line-up of bred heifers, and the rest, as they say, is history.

Many of the Red & Whites in the herd go back to Neosho and the beloved *neon* family.

Hoesly Advent *magic* EX94 2E

Growing up, Todd had always admired the herd at Hill-Bluff farms and the ability of Everett Benedict to breed great cows. So when his best friend, Grant DeBruin, then the herd manager at Sunshine Genetics, approached him with the opportunity to put in two Starbuck embryos from Hill-Bluff AJ Merri EX94 GMD, it was an easy decision. Two embryos, two pregnancies and two heifer calves - one for Grant and the other for us. That calf was Sun-Made Starbuck Margo-ET EX90. Margo's daughter by Integrity, Hoesly Integrity Mallory EX90 2E was the dam of Advent Magic. Magic easily became a barn favorite, being shown eight straight years at the county fair, where she was two-time Supreme Junior Champion, District 6 Black & White show and Paige's first trip around the colored shavings at World Dairy Expo.

She is the foundation of the *magic* family.

Mil-R-Mor Storm Reyfia EX92 3E

Dam of Carn-Quest Advent *robin* EX92 3E
216,880M 7,178F 6,79P lifetime

Who hasn't wanted to have something from the Roxys?

Todd admired this beautiful Storm great, great granddaughter of Roxy when she was selling on the Platte-Vu sale. She ended up selling for more than we could afford at the time. She went to Mayerlane, then to Carn-Quest. When Carn-Quest dispersed, we were able to purchase her two year old daughter, Carn-Quest Advent Robin EX92 3E. She turned out to be a great investment as we were able to merchandise her offspring heavily. There aren't a lot of individuals left from this family, but the ones that are here are some of the most exciting on the sale. We still consider Robin as one of the key matriarchs.

The *robin* family.

Summer Yearling, 2008

Hoesly Dbnr *lavender*-Red EX94
Nominated Junior All-American Red & White
Senior Two Year Old, 2013

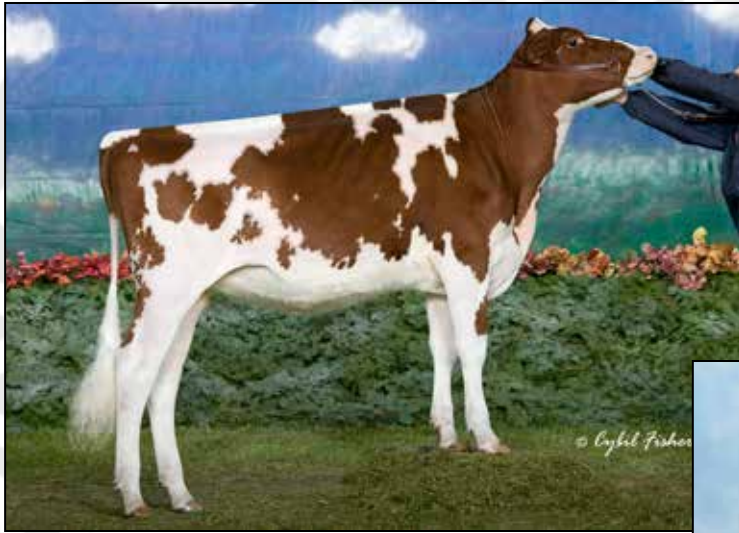

The Lana family had an interesting start here at the farm.

Todd's father, EJ was a field rep for Swiss Valley Farms, and one of his patrons was the Rock County Prison farm in Janesville, WI. They were shutting down and the herd manager didn't want to see his favorite cow, Ms Terrylea Leader Lila-Red go anywhere where she wouldn't be appreciated. So, she came to our place. She was here for several more lactations making 238,630 lifetime and eventually scoring EX91 4E. She was the absolute definition of silky with an extremely long head and neck. Advent Lana was her granddaughter and Debonair Lavender was her great-granddaughter.

The *lana* family.

Joy-Jay Tempo Doll *design* EX93 4E DOM

Out-A-Site Rotate Kizzy *kara* EX93 3E GMD

Joy-Jay Alot Apache *dottie* EX90 DOM

Joy-Jay Willow Dottie *doll* EX90 3E DOM

These old gals represent some of the oldest families of the herd. The "D" family was Todd's dad, EJ's pride and joy. Some of the first home-bred EX cows came out of this family. The story goes that Todd's sister, Lisa met her future husband Roger Behnke when his family, Bur-Wall Holsteins purchased Dottie.

The "K" family goes back many generations to one of Todd's first purchases as a boy, with Kara being the most well-known descendant of this family. She spent a good part of her life living in Pennsylvania after she was purchased as a VG two year old by Genus of the UK for their MOET program. After two years, producing over 90 embryos, and a few high profile bulls in the UK, Todd was offered the chance to buy her back. She came home, walked off the trailer and right back to her old stall. She lived on for many more lactations, eventually scoring EX93 3E GMD DOM.

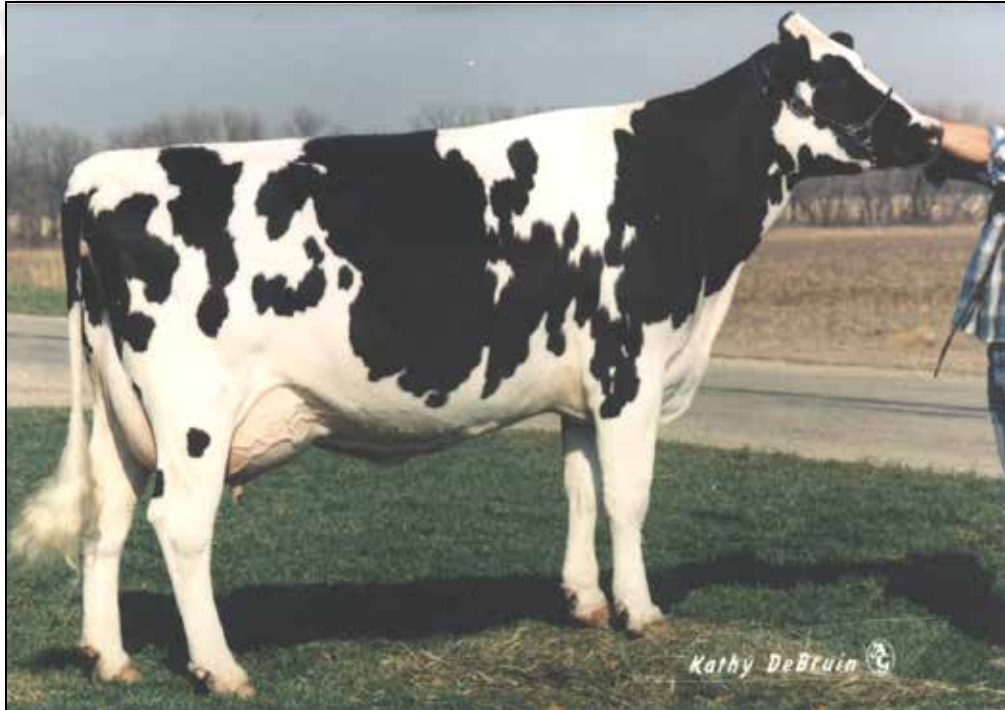

There's just a few remaining members of the Comma family. Comma is actually a very distant branch of the Egypt family, dating back to a 4-H calf purchase for Todd and Lisa.

The *kizzy, comma & doll* families.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
