**\*CONSIGN OR BUY THE TOP COW AND GET A FREE TURKEY!!!\***

**\* Short-notice - Blue-Gean Registered Holstein Complete dispersal!**

(North Bangor Ny.) This is a rare opportunity at some cattle with EX pedigrees including grand daughters of June EX97 (pictured top right), and descendants of Frosty and Roxy! A herd BAA of 110.7! 8 Ex cows and the rest VG with several that need reclassified!

Having sold the herd in 2022, they found out they need to milk cows to maintain a milk market for their farm so they bought into some high pedigreed families and also bought back a few heifers of their own breeding that had been sold at their sale. **In Eugene's own words...** Our love for the registered business has developed to what you see here today. Over the years we have developed 76 excellent cows and had nominations for All-Americans. Son Andre' and his five children have been very active in showing his and our cattle at our local fair. We've had several breeders herd awards, best three females, best bred and owned as well as grand and reserve champion cows. All this would not have been possible without the support of our family and friends. And now that the farm is sold, we can retire from milking cows, and hope you can continue to built off of these genetics...
