**W**elcome to the latest edition of new genetics at Pen-Col. As you can see from the catalogue, Sheepster, Versachi and Van Gogh have helped us continue to breed chart topping heifers and bulls. This offering not only continues our tradition of breeding high TPI, Net Merit and DWP cattle but also adds a higher level of type. We are especially pleased with the PTA, UDC and FLC on this group of cattle. High PTA and high new merit are a rare combination but many of these consignments have both.

**W**e hope you will take time to look through our catalogue and consider adding some new genetics to your breeding lineup. As always, we are holding nothing back and these are the best at Pen-Col.

Sincerely,  
Denny Wolff

Our granddaughters McKenna and Ciera with Pen-Col Legacy Best
