ANGUS

This herd bull has 151, 148, 003, 068, Mich and 400 all in one pedigree. He has it all - marbling, growth, milk and heterosis. His direct maternal line Yuriko 050 cow is highly coveted due to the 050 cow's phenotype carrying so deep into their pedigrees. Growth and maternals of Fujiyoshi blood in Kenhanafuji, who marbles like a Tajima, with all the who's who of Tajima bulls, painted on a Yuriko 050 cow base makes a firepower combination of growth and marbling.
