Just So Farm is a small herd built on the elite families of the breed. Our aggressive conventional and IVF flush program multiplies those genetics, resulting in availability of both embryos and live cattle for sale at all times.

Our primary enterprise is an independent nutrition consulting business, Prescription Premix, which doesn't allow time for maintaining a milking herd. All heifers and some dry cows are housed at our home in Lake Mills, Wisconsin. Milking cows are housed at various Prescription Premix customers farms. We are sincerely appreciative of the care they provide, which allows us to continue to pursue our passion for top-quality Brown Swiss cattle.
