

41st COBLESKILL DAIRY FASHIONS SALE

SUNY Cobleskill  
Dairy Cattle Club

Saturday April 27th, 2024 at 11 AM

Location: Cobleskill Fairgrounds

“Where Quality Cattle Are Always in Style”

Welcome everyone!

As President of the Dairy Cattle Club, here at SUNY Cobleskill, I am very excited to welcome you all, to the 41<sup>st</sup> SUNY Cobleskill Dairy Fashions Sale. We greatly appreciate all of the generous support that is given to our club each year in order to produce such a high-quality sale. I would like to personally thank all the consignors, donors, auction staff, families, friends and all of my fellow students. It is because of the tremendous support from all of you that we are the longest running collegiate sale in the nation.

A special thank you to our consignors; without you we would not be here today! We greatly appreciate your trust and willingness to enter your high-quality dairy animals into our sale each year. This is a great learning opportunity for each of our members who come from all sorts of experience in the dairy industry. Without your support we would not be able to hold this event year after year. Next, I would like to thank our sale manager and pedigree reader Daniel Brandt for once again working hard to assemble our catalog and help promote our sale again this year. Lastly, I would like to thank Dave Rama for joining us again and providing us with his excellent auctioneering skills. These two men are the key to success for our sale each year.

Our sale is hosted and coordinated by SUNY Cobleskill students from all sorts of agriculture backgrounds, who are all extremely passionate and dedicated to promoting the dairy industry. Thank you to each of our elected sale chairs and co-sale chairs who have worked extremely hard to make this day a success. I would like to give a special thanks to our sale chair Sarah Hill and our selection chair Madisyn Wright. Thank you both for your hard work over the last few months to get everything ready for sale day! I would also like to thank our amazing advisors Carrie Edsall and Kimberly Tarvis, without their amazing guidance and support throughout all of our efforts preparing for all of our events, it wouldn't be possible. And of course, a huge thank you to all of our dedicated club members who have shown up to lend a hand.

Here at SUNY Cobleskill, the Dairy Cattle Club is the largest club on campus. It is because of this day we are able to offer our 75+ members these great opportunities, whether it is bringing in members from the industry to talk with our club members, or our interstate bus trips to see the industry. Dairy Cattle Club also supports our Dairy Judging Team coached by Carrie Edsall and our Dairy Challenge Team coached by Kimberly Tarvis. These are all amazing opportunities for our members to get out into the industry. Our goal is for students to leave here with more experience and knowledge on the dairy industry than when they came in. It has been a great honor to serve as the President of Dairy Cattle Club, and I would like to personally thank you all for being here today to support us.

Sincerely,

Kailey Kuhn

2023-24 SUNY Cobleskill Dairy Cattle Club President

# SUNY Cobleskill 41st Dairy Fashions Sale

Saturday, April 27, 2024 @ 11:00am • Cobleskill, NY

Sale to be held at the dairy barns located at Schoharie County Fairgrounds  
(GPS address: 113 Sunshine Drive, Cobleskill, NY)

Directions: From I-88, take Exit 21 (Warnerville) and turn right on Rt. 7. Follow Rt. 7 to County Route 1 (Mineral Springs Road). Go to Grand Street, turn left and Fairgrounds is on the right. Parking will be available. For delivery of consignments, follow signs at fairgrounds.

# ONCE IN A LIFETIME

This past fall, The SUNY Cobleskill Dairy Judging Team finished second in the International Postsecondary Contest at World Dairy Expo! Because of this team's hard work and dedication, they earned the opportunity to judge at the Royal Highland Show in Scotland.

This is a once in a lifetime opportunity for these students to experience European agriculture. The team will be touring a variety of agricultural enterprises and farms throughout Scotland and Ireland, gaining knowledge and appreciation of farming on a global scale.

For this once in a lifetime opportunity, fundraising is essential. To assist with raising funds, an embryo lot, consigned by Keith Dixon, has been added to the 2024 SUNY Cobleskill Dairy Fashions Sale!

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

### 3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
