- View and bid online in Real Time
- Registration is required. Please register at least (1) hour prior to sale time at www.cowbuyerlive.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within five (5) days of sale date and prior to load out or delivery of cattle purchase.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.
- For questions or information contact: Aaron Ray Tompkins | (336) 363-4639 | atompkin@vt.edu

EDUCATIONAL YOUTH WORKSHOP

This year we will be hosting a Fitting and Judging workshop! Our fitters will give a brief demonstration and share some tips and tricks on how to prepare your animal for the show ring along with answering any questions you might have! Our very own judging coach, Mary Holle will be teaching some judging fundamentals along with what to look for when selecting a show heifer!

SCHEDULE OF EVENTS

FRIDAY MARCH 8TH

Cattle Viewing & Bidder

pre-registration | 5-9pm CST

Online Embryo Sale | 7pm CST

Pulled Pork and Mac & Cheese will be provided Friday Night!

SATURDAY MARCH 9TH

Cattle Viewing & Bidder

pre-registration | 9am CST

Youth Workshop | 9am CST

Falcon Premier Sale | 12pm CST

Free will donation food stand all-day Saturday!

Raffle tickets available Friday night and Saturday morning for purchase!

UW-RIVER FALLS DAIRY CLUB

WELCOME TO THE UWRF FALCON PREMIER HEIFER SALE!

It is our pleasure to welcome you to River Falls, Wisconsin for the 2024 Falcon Premier Sale hosted by the UW-River Falls Dairy Club. We are continuing a tradition of past alumni of preparation, commitment, and dedication which has allowed for this event to happen. This sale is not only a fundraiser for the club, but more importantly, it is an educational tool and once in a lifetime opportunity. This allows us the chance to make new connections within the industry, while promoting our school and its programs. The sales chairs, committee members, and the entire club have done their parts to make this event happen.

We are proud to present you with an exciting lineup of heifers that have incredible potential. The 2024 Falcon Premier is going to have 51 Holsteins and 15 Jerseys. This year, we will also be hosting an Online Embryo Sale on Friday night, March 8th featuring 26 exceptional Holstein and Jersey embryo lots. The catalog is a prime example that there will be something for everyone here! There is so much variety from deep pedigrees, household cow families, high type genomics, great production, and everything in between. The quality of heifers would not be possible without the dedication and hard work of their breeders. We cannot thank our consignors enough for offering us their best! The committee believes that all of these animals can have a great impact wherever they end up.

We are very fortunate to have a great supporting cast around us to put on an event of this scale. First, we would like to thank the consignors for allowing us to come onto their farms, trusting us to care for their animals at the sale, and merchandise their heifers. Without their willingness and consideration, we would not be able to have the line up that we do. We would like to extend a thank you to our advisors, Dr. Kelm, Dr. Kehoe, Dr. Melka for assisting us as we maintain the largest organization on campus as well as one of the largest dairy clubs in America. Thank you to our families, friends, and parents for working with us over the past few months during the preparation as we know there were challenges we worked through. We would also like to thank Randy Kath for once again being our auctioneer, our Adult committee and leads people for your help, the fitting crew, Paula Bovre from the Great Northern, and Maxine Glasshof for designing our catalog.

On behalf of the UW-River Falls Dairy Club, we thank everyone for their interest and participation in one of the club's most important and exciting events! We hope to see everyone in River Falls on March 9th for the 2024 Falcon Premier where we will be celebrating much success in selling high quality heifers.

Thank you,
Sophie Larson and Joe Schuh

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
