Welcome

It is with great honor and privilege to invite you to the Hilrose Holstein Dispersal Sale. It has been 102 years of milk leaving this driveway and the day has come for the milk truck to have one last drive down to the milkhouse for pickup. It has been a great ride. We have had the pleasure to work with, and learn from amazing people within the agricultural industry. We are blessed to be able to call them our friends.

2024 is a year that will be marked with many important events. First, Joe and I will be celebrating our 50th wedding anniversary. We met in high school, married in 1974, and raised our beautiful family, Sara, Andy and Jeff. In 1981, we took ownership of the farm from Joe's parents, Hilard and Rosemary; thus the prefix, **Hilrose**. Sara went on to marry Lynn Harbaugh. They both have careers within the dairy industry. With our two sons, we formed Hilrose Dairy LLC. They both married young ladies who are also very active in the dairy industry, Ashley Sabo and Bonnie Berezowitz, respectfully. Together with our sons and their families we accomplished many of our life long goals. The show ring has been good to us, awards and accolades that we once only dreamed of. Walking in our barn, you will see a herd of red and white, and black and white holsteins. They are high on type, bred for longevity with amazing udders that have set production records that we are extremely proud of.

Over the years, we have built a foundation of animals that exemplify our love of the holstein cow. We are here today to offer you our best, whether it be an animal to lead to the show ring, or an animal to add to your herd and fill your tank at home. They are our lifetime work, and we are looking forward to each one finding a new home and bringing as many rewards to the new owners as they have to us.

We have many people to thank who have been with us during the good times and the bad. Maybe it was just an ear to listen, a word of encouragement, or helping in the fields. You were there for us, and we thank you. To Joe's family, for their never-ending support. They witnessed their family home, Hilrose transform to the the farm it is today. A special thank you to Joe's sister, Sharon, for the immeasurable time she gave in the the early years helping and working side by side with Joe, and giving lessons to her new found sister-in-law; the city girl in training. To Joe's brother, Mike and his wife Carol, and their family for the years they devoted to Hilrose. They too, have a special place in the heart of Hilrose. Their dedication and countless hours working along side our family will be cherished forever. To my family, our friends and the many people who came to Hilrose for a visit or a quick chat. We appreciate your support and friendship. We would like to thank Rick and Paula Bovre who have been so supportive. Their expertise and guidance has helped us maneuver through this time and make our sale successful.

In closing, to our wonderful family, it's been an amazing journey. Our children have been with us as we rode the highs and lows. As parents, we could not be more proud of all their accomplishments. To Sara and Lynn, Jacob, Logan and Madison your hugs, advise, support and love have bought us boundless joy and comfort. There are no words to express our love and thank you to our sons and their families. To Andy and Ashley, and Kylie; Jeff and Bonnie, Bentley, Blake and Brodie, without them, Hilrose would not be where it is today. They have all worked hard and given their best to put Hilrose on the map. As parents, it has been rewarding to work with our sons and watch them grow and become the husbands and fathers they are today. Along with their families, they have given, worked and accomplished more than we could have ever imagined. As we look back, the driveway has been well traveled filled with a lifetime of wonderful memories. Now, it is time to make new memories! Another driveway filled with new adventures, and new journeys to enjoy!

For all our potential buyers, thank you for your support and interest in our sale. We hope that you will find your perfect rose! May she blossom as you take her down a new driveway of success and joy.

Roses of Love 
Joe and Chris

Terms and Conditions of Sale

TERMS: The terms are cash or cheque on sale day payable to Great Northern Cattle Marketing LLC, in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

EXPORT SALES: Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests. Any agent purchasing for export accounts must identify themselves to the sales management prior to the sale and any special terms with regard to tests or payments must be cleared prior to the sale with management and consignor.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal is pledged to absolute sale. In case of dispute, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24-hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION: Will be furnished by the seller showing transfer on the records of the Breed Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES:

(1) Owner warrants clear title to the animal, and the right to sell same.

(2) Each animal is sound and healthy in every respect, unless otherwise noted in the catalog or announced from the auction stand. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.

BREEDING: The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser, with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only official DHI or DHIR records are used in pedigrees contained herein. All records, except records in progress, are shown on crude protein scale. Any production or classification records followed by a quotation mark (") have been supplied by the seller or consignor. # indicates undesirable recessive carrier; #MF for mulefoot, #PT for pink tooth, *DP for dumps, *BL for blads.

PARTNERSHIPS AND SYNDICATES: In the case of cattle owned by partnerships and syndicates, any member of these partnerships or syndicates reserves the right to bid in their own behalf. Each member shall be identified.

EMBRYO TRANSFER: All registered animals that resulted from embryo transfer are identified with the suffix "ET" in the name. Any unregistered animals that resulted from ET are identified as having resulted from embryo transfer.

ET CHOICE OF FLUSH TERMS: 35% down payment at conclusion of sale; 65% due at selection and possession, no interest on unpaid balance. Possession date will be when the youngest calf in the group offered reaches 4 months of age.

HEALTH WARRANTY: The results of any future health test is not guaranteed. The seller and sale management hereby notify the buyers that all animals are sold as originating from a maximum risk paratuberculosis herd unless otherwise stated by sale management. The seller and sale management cannot be held liable.

AGENTS: Any person(s) acting as agent for the purchase of any consignment shall be held responsible for all of the terms and conditions of the sale including payment for their purchase. Agents are requested to have written authorization for the principals for whom they represent.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered they will be announced. Such announcement to take precedence over the matter of print in this catalog.
