Welcome to the 100th College Royal!

College Royal is a large agricultural event and livestock show run 100% by students from the University of Guelph. Over the years it has grown to be celebrated among many universities. An Open House weekend for the community is also held, showcasing many displays and activities. Included in this 12-day event are livestock shows, the Canadian Intercollegiate Judging Competition, square dancing, and so much more.

The purpose of College Royal is to bring agriculture to the community one event at a time. This year we are pleased to be bringing this sale back with 36 strong pedigreed heifers and 14 incredible frozen lots. The proceeds will allow us to continue hosting a sale for the years to come!

Thank you to our consigners, we appreciate your incredible support with consignment calves as well as the wisdom that you have shared!

The background is a deep purple with a faint, repeating brick pattern. A bright, glowing light source is positioned in the upper center, creating a radial gradient of light that fades into the darker purple. The light has a soft, ethereal quality, with some visible texture or grain. In the top-left and bottom-right corners, there are diagonal silver or metallic-looking borders that frame the image.

Thank you...
