50 Years of the Clinton County Classic

Nostalgia prompts us to take a look back in time to September 11, 1972. Registered Holstein Breeders from Clinton and nearby Counties gathered at the fairgrounds for the 1 st Clinton County Classic. 36 head of Registered Holstein Heifers were gathered up by the sale committee of Bob Fruend, Lester Heinzmann, John Mueller, Tom Richter, Bert Sinclair, Bob Hortsmann, Cornelius Gebke, and Virgil Diekemper. Handling the gavel that day was the Patriarch of Illinois Holsteins, A.C. Whitie Thompson and reading pedigrees was Bud Boyd ADA Rep from Caryle. As a side note: Bud Boyd's sons, Larry and Roger would have been at that time putting together the local rock band "Head East" that went on to nationwide fame and fortune.

Now, 52 years and 49 sales later, preparations are under way for the 50 th CCC. The first 49 sales made well over 3500 head of Registered Holsteins available to Holstein Breeders throughout the North America. Leading the list of consigners, is the Ralph Twenhafel Family, with 80 consignments. Next on the list is the Dale Schaufelberger family with 78 consignment, followed by the Brian Woker family, the Zoelzer family, the Harpstrite family, the Kleiner family, and the Heinzmann family all with over 47 consignments over the years. Numerous other families would be very close in numbers.

Whitie Thompson handled the gavel for the first 8 sales. Through the years, men like Lowell Kneif, John Hagar, Donny Vine, Chris Hill, Gary Estes, Jason Lamoreaux, and in recent years, Colonel Scott Courtney have all cried the CCC. Sixteen of the early sales found Cal Meyer in the box reading pedigrees. 20 plus years found Larry Kleiner handling the pedigrees. Names like Dave Bachmann, Bob Miller, Dallas Burton, Aaron Heinzmann, and Lucas Clanton would fill out the list of pedigree readers in other sales. A long list of ringmen have accepted bids at the CCC. Pat Williams, Kenneth Hall, Howard Dust, Les Terpstra, Brian Olbrich, Tony Whitehead, would be just a few of the names that have been at ringside.

Many success stories can be told about foundation females being purchased at the CCC over the years. Purchases at the very first sale resulted in 2 bred heifers sire by Fond Matt that both went VG-88 and started outstanding cow families for Eldon Ennen from Greenville and the Manhart Brothers at Stewardson, they were consigned by Orlo Ruppert and Bill Schrage Jr.

No doubt one of the all-time best buys was made by Kevin Wendling in 2004 when he purchased a pick of flush from a Skychief daughter of the EX-96, 2 time All-American, Friendly Acres Linjet Murphy. At Kevin's highly successful dispersal this past December, nearly a third of his herd descended from that pick of flush. That choice resulted in a calf that would be named Jr Champion at Stillwater the next spring, go on to score EX-92-3E. Kevin's catalog featured 11 descendants that scored Excellent.

Another all-time great buy was consigned by Rolling Lawns Farm in 2004. Rolling-Lawns Zen Radiant sold as a choice of 2 heifer calves. Jonathan Yoder from Maryland chose the Zenith calf that would go on to be a 9 th generation Excellent Roxy scoring EX-92 EX-MS and make a record of 4-9 365 44,110 3.8 1670 3.2 1410. Radiant produced daughters that would score EX-94, EX-91, 2 at VG-88 and 4 more from VG-85 to VG-87. Numerous descendants from this family are still in herds in Maryland and Pennsylvania.

The list of success stories like these could fill a good size book and this year's sale will no doubt add more chapters to that book. Which ones will they be, who will consign them, who will find and purchase them? Only time and history will answer those questions.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, March 26, 2010 and March 24, 2016

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving. The sex of an embryo or fetus is in no way guaranteed.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

25% down, balance due at the time of selection at 4 months of age based on the youngest calf born. Blood typing to be done by the seller prior to selection. Seller to be entitled to \$2/day board for every day exceeding 4 months of age. In the event the desired sex is not obtained from the offering, the following steps will be taken to fulfill the purchase agreement.

1. The seller shall offer choice of another flush already implanted or a future flush by mutually agreeable sire. No interest will be charged and terms will remain the same. 2. In the event that the above cannot be resolved or in case of death of donor dam, full refund will be made to the buyer. 50% of commission to be refunded by the seller and the 50% of commission to be refunded by Clinton County Classic.

TERMS OF SALE FOR FROZEN EMBRYOS

Embryos will be sold on a per embryo basis times the number of embryos offered in the package. All embryos are grade #1 unless otherwise noted. Every assistance will be given in helping arrange delivery, but the final responsibility for shipping arrangements or pickup of the embryos is that of the buyer. No embryos will be sold unless they are at the sale on sale day, unless other plans were made prior to the sale. No embryos will be shipped or delivered until the final payment has been received by sale management.

Has It All

7H016295 DUCKETT PFCT HAS IT ALL-ET

PARFECT x DOC x JEDI

HAS IT ALL is the highest production 7H015085 PARFECT son available and is Have Not 8784's most complete son. His early calves are turning heads and garnering interest!

Homer

7H016791 DUCKETT DOC 8784 HOMER-ET

HOMECONING x DOC x JEDI

Like his dam, it is hard to find a fault in HOMER's profile. He will sire moderate stature while adding above-average frame width. He's an easy-to-use sire that will complement Goldwyn bloodlines.

L-R: HAS IT ALL and HOMER, Thomas photos; S-S-I Doc Have Not 8784-ET (EX-96-EX-MS), dam of HAS IT ALL and HOMER, Fisher photo.
