# The 56th Annual North Carolina Hereford Classic is Dedicated to CHAD DAVIS

Chad A. Davis was born in Grand Forks, ND. He was 12 years old when he and his family moved to the farm once owned by his great grandfather, Lloyd G. Davis. The farm, once a dairy farm, was converted to a Hereford operation shortly after the Great Depression. At that time, the cow herd numbered around 250 females split about half and half horned and polled.

In 1986, parents Jim and Linda built their current home on Terrace Farms soil in Churchland, NC. Chad's father, Jim having shown Herefords as a 4-H member was anxious to introduce Chad to an experience he had in his youth. So, in 1987, Jim and Chad bought their first Hereford heifer from the Fishel's (Windmill Acres) in Winston-Salem. The heifer was named Brandywine. That year Chad showed Brandywine at numerous shows with Neil Fishel, his mentor.

Now having the fever to show, in the spring of 1988, Chad, Jim, and a friend, Bob Burton went on a three-day sale event in Canada to look for a donor prospect and show heifer. Bob bought a donor cow and Chad purchased a heifer. He bought Turc GB Butler Girl at the Gold Bar Production sale owned by David Hasson. At Chad's first Junior National show held in Springfield Illinois, Butler Girl made the cut and placed 5th in class. There to give support was Neil and the rest of the Fishel family.

Along the way on the show road commencing in 1987 and finishing in 2012 many memorable experiences and exciting times were had. Sometimes the ride back home was filled with joy while sometimes the trip was long and tiring. Chad was invited back to the farm to gain more exposure, knowledge and hands own experience in clipping and fitting Gold Bar's show string. At 16, he was getting purple banner experience.

During Chad's show career he exhibited many Grand and Reserve Champion Herefords across the country at the State and National level, and earned the honor of Premier Exhibitor and Premier Breeder. Also he spent time holding many different offices in the NCJHA including President, he also attended many AJPFA national events. He was recognized by his peers at several Junior National shows receiving the Outstanding State Junior Award. After a successful junior show career Chad sold several heifers to juniors that went on to have class winners and champions at local, state and regional shows. One of the highlights in Chads life was when Xavier (the bull that was bred and owned by Chad) sold at the 73rd National Hereford sale. The only animal to be sold to a buyer outside the USA. He went to Werthein Ranch in Buena Aires, Argentina.

After aging out as a junior the open shows continued but at a much-reduced schedule. At the last show in 2012, he ended his showing at the NC State Fair with the Reserve Grand Champion female and bull. The female, DelHawk 1241 still walks the pasture of Terrace Farms without missing a step.

Chad always took showing Herefords serious and always strived to have his show string in championship condition. His philosophy was that the shows were won at home. Meaning that putting in the hard work at home to feed, work the cattle, work on leading and setting them up paid dividends on show day.

Chad has served on several terms on the NCHA Board of Directors. For over 15 years he spent numerous hours working on the NC Hereford Sales committee including planning meetings, behind the scenes sorting, penning and loading consignment lots. And on sale day he is seen working in the sale ring.

At the farm he still helps with the cattle operation as time permits. He has his poultry operation comprising of eight pullet barns (houses) generally taking care of 90,000 to 95,000 chickens. The poultry operation is a big factor in why you don't often see Chad and his father together at sales or shows as in the past. Someone must tend the farm. The NCHA sale is one of the exceptions. His work ethic has spilt over to his poultry operation. Hard work pays off. He has achieved many accolades for his accomplishments from the poultry integrator.

Chad and Katie have two sons, Landon and Sam, who represent the 5th generation to share experiences on Terrace Farms.

Congratulations Chad on being chosen to have the 2024 NCHA Sale dedicated to you! **Mom and Dad are very proud of you!**

- You just can't go wrong with time tested and proven Encore daughters and Sierra is one of them out of a 4013 daughter. Cosmetics and outstanding EPDs describe her.
- Bred AI on 12/3/2023 to SHF Headstrong D287 H315 ET (P44123822), a Sandhill Farms bred bull purchased by Knoll Crest Farm — a couple of credible operations. You will be seeing his progeny for years to come. Confirmed heifer pregnancy via ultrasound on 2/9/24.

- An eye appealing, feminine heifer that has strong maternal potential as her Teat and Udder EPDs are in the top 1% and she is in the top 5% for Calving Ease.
- Sells open and ready to breed to the bull of your choice.
- Consigned by Claxton Farm LLC, Weaverville, NC.

LOT 17 - CPC E205 Y208 B279 KATE CK43

Dr. Porter Claxton (1935-2023) started farming in 1976 and breeding registered polled Herefords became a natural progression to his passion for cattle. He bought his first herd bull in 1980 and was named NCHA Cattleman of the Year in 2004. The farm grew to 154 head in 2023. Claxton Farm LLC is donating an open heifer to the NCJHA to continue the growth of the breed and support the next generations of farmers.

**Thank you to Claxton Farm LLC and the Claxton Family for your generosity to the North Carolina Juniors**

- Here is a special opportunity to get a really good young brood cow we purchased as a heifer at the Boyd Breeder's Cup Sale. An easy fleshing daughter of the popular Endure bull. Only selling her because we want to offer our best. She has done a great job with her Expedition heifer calf.
- Bred AI on 11/26/23 to JW 1857 Merit 21134 (P44212986), then pasture exposed from 12/10/23 to 1/27/24 to Boyd 76E Approval 1117 ET (P44252773).

- Halter broke, smooth topped, big ribbed kind of heifer. This young female comes from one of our favorite cows that I purchased from Hopkins Ranch a few years ago.
- Bella's mother had a great run on the show road and later turned into an even better cow. This heifer has the parts and pieces for a kid to have some fun in the summer division this year. Her best days are ahead of her!
