SHILOH Dairy

N8681 Bastian Rd, Brillion, WI 54110

The Brown Swiss herd at Shiloh Dairy began with the purchase of three Brown Swiss heifers in 2006. Cathy instantly fell in love with them and our herd has grown over the years to 158 heifers and cows!

In 2009, we were honoured to be asked by Sunshine Genetics to partner with them and implant embryos in return for half of the offspring. This turned out to be the most incredible partnership and led to the birth of Shiloh Brookings Cadence ET! Thanks to New Generation Genetics, Cadence went on to become one of the most famous Brown Swiss bulls in the world!

Another amazing purchase for us was an embryo package out of Snickerdoodle. The genetics in our herd can be traced back to the heifers from Sunshine Genetics and to our cow out of Snickerdoodle, Silken. The use of sexed semen and an extensive flushing program has resulted in the herd of which we are so proud today.

Now it is time for a change of direction for Cathy. With three grandchildren to love, and charity work to pursue, she has decided to retire from Shiloh Dairy. We wish you great success with each Swiss you decide to purchase. Please care for them well as they are the product of Cathy's heartfelt dedication and affection for her beautiful Swiss.

Welcome to the

Terms of Sale

Payment in full on sale day by cash or good check unless
prior written arrangements have been made with the sell-
er and/or sale management. We ask that volume buyers
receive prior approval or secure a letter of credit.

Bring your Catalog to the Sale

Dispersal Terms and Conditions

TERMS: The terms are cash or check on sale day payable to Brown Swiss Enterprises, Inc. in U.S. funds unless other arrangements are made with the sale management and seller prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling in the event of fire or other mishap. All semen sold shall immediately become the buyer's property and risk as soon as struck off. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herdbook of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser. Any animal listed with (W), (M), (D), or (A) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association of the U.S.A., as a Weaver, Spinal Muscular Atrophy (SMA), SDM, or Spiderleg Trait carrier.

SHIPPING: Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

WARRANTY: All animals sold are believed to be straight and right, unless otherwise noted in this catalog or by announcement from the auctioneer's stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is. Examination of all purchases should be made immediately after the purchase before the close of the sale; and if found not to be as represented when sold, such complaint should be reported to the management at once. If no such complaint is registered, it is assumed the buyer has accepted the animal as warranted when sold. The seller guarantees to the purchaser a clear and sole title to the animal purchased. Any animal listed with (W) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association as a Weaver trait carrier. The Buyer is hereby notified that all cattle are being sold as not warranted as being free of Johnes Disease excepted where noted.

BREEDING: Females open or bred, to the best of the seller's knowledge and belief are breeders. All females bred, to the best of the seller's knowledge and belief, are pregnant. However, no breeding dates or pregnancy can be guaranteed unless so announced at the time of the sale.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in the sale the seller subscribes to the various regulations and warranties as set forth and assumes full responsibility for his cattle. Except as herein provided, the seller shall not be responsible for any damages beyond the selling price of the animal. The sale management acts as agent of the seller and shall only to the extent provided by law share the seller's responsibility, but it shall endeavor to protect the interests of the buyer as well.

BLOOD TEST: Animals will be tested for TB.

SOUNDNESS: Every precaution will be taken to represent the physical condition of each animal exactly as it is. Known blemishes will be announced.

ALL SALES FINAL: Having taken every reasonable precaution to fairly represent the health, breeding and physical condition of each animal, no further guarantee re retest privileges are given, and all sales shall be considered final.

HEALTH CERTIFICATES: Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed and are at buyer's expense. Cattle have not been tested for Paratuberculosis (Johnes').

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The Sale Manager, auctioneers, and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals, and disclaim any liability in the event of personal accident or property loss.

RECORDS: Records marked with an asterisk (*) are not on file with BSCBA and have been supplied by the owner. Records not on file do not appear on official pedigrees unless evidence of the records are submitted at the time of the pedigree request. Only official DHI records can be used.
