

## Terms

- 1) **Buyer satisfaction guaranteed.** If you are unhappy with any of the animals you purchase at time of pick up we will keep them or find a replacement that you are happy with.
- 2) **Bird Flu.** All animals can be tested as early as July 17 for out of state buyers.
- 3) **Payment.** Payment is expected in full at time of pick up.
- 4) **Pick up.** Several of the animals are very fresh. We realize that buyers may wish for them to get a good start before being moved. We will work with you on this to do what makes the most sense for everyone. That being said, keep in mind we are very overcrowded at present. The sooner we can get cows moved the better for us. If trucking assistance is needed we will work with you as well.
- 5) **DHI test.** We are planning to test on Friday July 12. If everything goes as planned we will have SCC and components back on the 15th. These will be posted as soon as available. Again, keep in mind, several of these cows are VERY fresh and just getting rolling.
