Magic of Morrisville

Greetings Alumni, Family, and Friends,

As President of the SUNY Morrisville Dairy Club, I would like to welcome you to our 41st Annual Morrisville College Autumn Review Dairy Sale! We are pleased to be offering great pedigrees and genomic cattle.

I would like to thank everyone who has worked tirelessly to help make our sale a success. A huge thank you to our advisor Dr. Mooney, as well as Professor Hayes, who devote extra time each year to lead a new group of students through another sale. Their work should not go unnoticed. I would also like to thank Professor Marshall for all her hard work and dedication put towards the sale in past years.

I would also like to thank Emily Button, Chloe Renaud, and Jack Kowalewski for putting in the extra time and effort to organize and get consignments for our sale. Without all their help, this sale would not be possible. Another thanks to our committee chairs who oversee their own part of the sale.

Lastly, a thank you to all the Dairy Club members who are part of these committees. Dairy Club members take pride in volunteering in the community, as well as continuing to spread the passion for dairy that everyone here today has. Your generous support helps to ensure the continuation of our club for the next generation of dairy students. Thank you all again for joining us today, as this sale is something we have all been looking forward to.

Sincerely,
Shyanne Ackerman
Dairy Club President
