

Brandy Brook Dairy

COMPLETE DISPERSAL

Bryant, Bethany, Brayley & Beckett Fortin

SATURDAY, AUGUST 17, 2024
ELLENBURG CENTER, NEW YORK

Welcome!

Welcome to Brandy Brook Dairy! We are thrilled to have you join us in our dispersal sale. This probably isn't going to be your regular dispersal, we want ours to be a CELEBRATION!

To give you an idea of who we are and what our story is, let us start here. We decided in 2016 after we had our daughter, Brayley, that we wanted to raise her on a farm, like we were raised. So by 2017, we had sold our first home, bought a farm and shipped our first load of milk. By 2018, our son, Beckett, came along and we had ourselves well established and started building what we think is a "show herd".

Since then, we have taken every opportunity to add bloodlines to our herd that are nationally known, and to add prefixes to our herd that we hugely respect and admire. In addition to building our herd, our family runs a hometown diner that has been in the family since 2001; we have a dog breeding program that we run with our family which was started in 2019; we own and operate a small convenience store in our community that we purchased in 2020; and Bethany is the town clerk while Bryant also works for the federal bureau of prisons.

We believe in living life to the fullest and taking advantage of every moment that life gives us. We have loved every single minute of raising our kiddos on this milking operation, and are so grateful that we could provide this atmosphere for the first years of their lives. We have reached a point where we want to be able to focus on raising just a few heifers that will let our kids compete, learn, grow and also have the time to do so. This milking herd has been wonderful for us, has given us so much, and we know that they will do the same for the new places that they will be going.

We want all of our friends, partners and possible purchasers to know that cattle are our passion, this herd is what we have built and strived for since we started and we just feel it is time for our family to down size and be able to spend more time together.

We cherish every friendship we have made and appreciate every person in the dairy industry who has helped us, guided us and made us feel like part of something bigger. Our passion is for all cattle, which is why you will see every breed represented in this catalog. Why not enjoy all of the breeds, the people, and every event that life has to offer, right?

We would be super happy to host you on the farm, to come and view our cattle and celebrate with us, this chapter that is coming to a close and a new chapter that will open once the girls find newer pastures. We will have cattle viewing the evening before, with plenty of drinks and pizza to pair. Sale day, we will have a "celebrations table" with hopefully your favorite drinks, and we would love to have a drink and swap stories with you. By far one of our favorite things has been making friends in the industry along the way and we want to keep that going!

You will see some partnership animals in this catalog, as well as consignments from some of our friends and partners as well. Having anything without people to celebrate with, just isn't worth having! So come and have a drink, see the cows, and bring one home so that we can keep celebrating with you through the years! We want to cheer just as loud for you as we hope you do for us.

A huge, huge THANK YOU to our dad and mom, who have supported us, cheered for us, protected us, and have our backs always, Frank and Lori Drown. We couldn't and wouldn't imagine it all without your love and support!

Thanks for joining us, and thanks for reading, we appreciate you and God Bless!

Bryant, Bethany, Brayley and Beckett Fortin

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
 - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
