Payment Information

Terms of Sale:

Cash/Check/Credit Card

(3% buyer's premium charged on credit card purchases)

First time buyers must present a current bank letter of guaranteed funds made payable to Pennsylvania Holstein Association.

If buying via Cowbuyer.com or sale staff representation, then full payment must be made within 5 business days of the Sale. Preferred forms of payment received are Credit cards through PA Holstein Association; overnight shipped certified check or wire transfer to PA Holstein Association account.

REAL-TIME BIDDING ONLINE AT WWW.COWBUYER.COM

- View/bid online in Real Time
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyer.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within five 5 days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.

For questions or information, contact:

Aaron Ray Tompkins – 336/363-4639, atompkin@vt.edu

WE ARE... The Penn State Dairy Science Club

The Nittany Lion Fall Classic is a timeless tradition for the Penn State Dairy Science Club, and we are so excited to welcome you to the 41st edition of the sale! Sale week offers many opportunities for our club members including animal care and handling, marketing skills, learning about dairy genetics, and many hours spent working together as a team. We would not be able to make this sale a success year after year without the help of our friends at the Pennsylvania Holstein Association. Once again, our consigners have sent their best, and we cannot thank them enough for their continued support of the Nittany Lion Fall Classic. We truly hope that you find the perfect edition to your herd and wish you continued success with your purchases! We would not be able to run this sale without the help of our generous sponsors and donors. We want to thank every single person and organization who has donated meals, shavings, equipment, hay, and feed. While you are flipping through the catalog searching for the perfect purchase, please take a moment to check out the advertisements from our generous sponsors. Most importantly, I want to take a moment to thank this year's sale chair, David Schultheis for everything he has done to make this sale a success and to our barn manager, Mason Nas for helping this week run as smoothly as possible. We as a club are extremely grateful for all the work you have done and cannot thank you enough, I truly wish I could personally thank every person, past, present, and future who has supported this sale, our club, and the future of the dairy industry!

Madison Benfer

41st Annual

Donation Calf for the Fereday family---Here's their story

Brett and I decided quickly after we got married, we wanted to start our family. We both really wanted kiddos. So, we started trying for a year without luck. We went to a fertility doctor after a year and half of trying to help conceive. Then we were blessed to find out we were pregnant with Eliza! Who we often refer to as Bean because of her first ultrasound when she looked like a little bean! Our pregnancy was normal in our minds. Brett often jokes we were at the point we were excited to be parents not scared yet. At her 20-week ultrasound they couldn't find all her heart, so we had to go back again at 23 weeks. At that appointment on July 18 the doctors discovered I was 4 cm dilated with my water sack presenting. While Brett was out in Washington state for a friend's wedding I had this checkup and was admitted to the Hanover hospital right away, then transferred to Harrisburg via lifeline. Brett returned on July 20th after I was moved to the antepartum unit. At 11:55pm on July 22, 2024, Eliza Lynette Fereday made her appearance at 24 weeks and 2 days via a T shape C section surgery. She weighed 1 pound 9 ounces and was 12 inches long. She was sent right to the NICU with Brett by her side. I got to see her only 2 hours after she was born. We stayed in postpartum 4 days till I was released from the hospital then we moved into the Bailey House (housing provided for families with children in the hospital). The first time we got to hold Eliza was a week after she was born. Eliza had a challenging time in the NICU. At a week old she had her first head ultrasound where they discovered she has 2 bilateral level 3 brain bleeds. She also had to have bowel surgery due to a tear. She had a Broviac port in her neck because she was too small for iv lines. She also had breathing assistance devices, etc. She is now off the breathing tube and back on her cpap mask and doing amazing. She is drinking breast milk with fortifiers, and she has over doubled her weight! There are still big challenges to overcome including an eye exam, brain bleeds staying stable/improving, keeping body heat without help, hearing test, and to keep gaining weight. But she's here kicking butt, and we couldn't be happier. The hospital nurses, Doctors, and staff have been amazing. We can't thank them enough. We know Bean is so loved! We can't wait to bring her home to meet her crazy brothers (the dogs). Brett keeps saying we are home and in the best possible place we can be. Thank you to everyone who has kept us in their thoughts and prayers. The support we have received during this time is truly amazing and appreciated. She is one MIGHTY Bean!

Eliza aka Bean has numerous family members that have been a part of the Penn State Dairy Science & Nittany Lion Fall Classic. Her maternal grandparents are John and Jaylene (Yoder) Hess of JOBO farms in Gettysburg. Please support them and pray for this miraculous little girl and her family!

"Embryos sold to Australia"

"Last IVF's Five #1 & Two #2"

IVF SESSION

*Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions"

IVF SESSION

*Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions"

Feed your dreams.

Like everything that's important, your dreams need feeding. Cargill has been helping feed the dreams of dairy families for over a century. Our technical specialists work directly with you to understand your cows' nutrition needs and analyze your inputs. Then we apply 150 years of nutrition and research insights to fine-tune diets—well beyond ingredient lists and run-of-the-mill solutions. It's the best combination of lifestyle and herd performance. It's how Cargill helps dairies *thrive*.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
