Terms of sale: We are not a bank & we do not finance cattle! Buyers will be invoiced immediately by email with overnight payments expected by money wires or good check sent by priority mail to sale manager.

We welcome participation from buyers who understand the proceeds need to be issued immediately!

Buyers of live cattle should make immediate arrangements with sellers for transportation of purchases after payment has been made to sale manager. We encourage buyers to insure their purchases at least until they arrive at their new homes! Buyers are guaranteed their purchase will be healthy at time of pick up. For IVF sessions offered in this sale, they must be performed by a certified IVF facility or practitioner that is agreeable to both Buyer and Seller. If after 4 IVF session attempts the guarantee has not been fulfilled of 8-#1 or #2 embryos, EITHER PARTY can choose to call the purchase complete and refund will be issued. The seller will then remit the buyer a refund on pro-rated price based on the original purchase price. For example: \$40,000 purchase price would equal \$5,000 per embryo refund for each embryo less than 8-#1 or #2 produced. IVF flush histories available upon request.
