Dream It, Believe It & Seize the Opportunities. Your Journey of Success Can Begin April 12th!

Welcome

Our Quest is Your Success!

We are pleased to welcome you to another edition of the Quest for Success! Like our past sales, the Quest for Success VII is comprised of consignments from around the U.S. that were chosen to help you achieve success. As parents and families, we are driven to help youth succeed and that drive combined with generating success stories for our buyers is our goal for the sale. From All-American and Junior All-Americans to great brood cows going on to be EX-95, the past six sales have produced exceptional results, and this group has the potential to do the same!

The sale brings a diverse group of exceptional animals from across all seven breeds. These consignments have been hand-picked to exemplify the cattle we like to work with each and every day - deep pedigreed animals with the genetics to help you stand in the middle of the ring and develop into brood cows who can fill your tank at home. Whether you're looking for your next All-American nominee, a great junior show project animal, an animal to compete at your county or district show or a deep pedigreed foundation cow for your herd, this sale has the one for you.

Thanks to our consignors for opening their doors and offering us your best. You have bred and developed these outstanding cattle and it's truly an honor to include them in our sale. We appreciate your willingness to offer top genetics from your best cow families, your support of the sale and your support of the future and industry.

Secondly, thank you to the Schmalzing family of Maple-Leigh and all their staff for allowing us to host the sale at their amazing, beautiful facilities. We truly appreciate your friendship and the opportunity to work with you to make this a great event for everyone.

Next, our family and friends. Whether it be the consigners, sales staff or others who have assisted with the sale, we owe many thanks for helping us developing this sale and the past sales. Thanks especially to Rick and Paula Bovre of Great Northern Cattle Marketing LLC for all their guidance, expertise, and extra attention to detail to make this sale and past sales successful.

Finally, to our potential buyers, thank you for your interest in and continued support for the Quest for Success VII. We hope that you see this catalog filled with as many opportunities to make the next great one and your next success story as we did when we were selecting them. We look forward to seeing you all on April 12 in Delavan where our Quest is your Success!

Research shows that one hour of lost resting time leads to approximately 3.5 pounds less milk/day.¹

Unlike traditional methods, testing milk samples to gain insights for production, health and physiology, promotes resting time, and eliminates labor to find, sort and lock-up cows.

Ask your CentralStar team about the convenience of using milk samples, improving resting time and production, all while saving you labor and money.

Terms and Conditions of Sale

TERMS: The terms are cash or cheque on sale day payable to Great Northern Cattle Marketing LLC, in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

EXPORT SALES: Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests. Any agent purchasing for export accounts must identify themselves to the sales management prior to the sale and any special terms with regard to tests or payments must be cleared prior to the sale with management and consignor.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal is pledged to absolute sale. In case of dispute, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24-hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION: Will be furnished by the seller showing transfer on the records of the Breed Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES:

(1) Owner warrants clear title to the animal, and the right to sell same.

(2) Each animal is sound and healthy in every respect, unless otherwise noted in the catalog or announced from the auction stand. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.

BREEDING: The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser, with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only official DHI or DHIR records are used in pedigrees contained herein. All records, except records in progress, are shown on crude protein scale. Any production or classification records followed by a quotation mark (") have been supplied by the seller or consignor. * indicates undesirable recessive carrier; *DP for dumps, *BL for blads, *CV for complex vertebral malformation, *BY for brachyspina and so forth.

PARTNERSHIPS AND SYNDICATES: In the case of cattle owned by partnerships and syndicates, any member of these partnerships or syndicates reserves the right to bid in their own behalf. Each member shall be identified.

EMBRYO TRANSFER: All registered animals that resulted from embryo transfer are identified with the suffix "ET" in the name. Any unregistered animals that resulted from ET are identified as having resulted from embryo transfer.

ET CHOICE OF FLUSH TERMS: 35% down payment at conclusion of sale; 65% due at selection and possession, no interest on unpaid balance. Possession date will be when the youngest calf in the group offered reaches 4 months of age, unless otherwise stated.

HEALTH WARRANTY: The results of any future health test is not guaranteed. The seller and see management hereby notify the buyers that all animals are sold as originating from a maximum risk paratuberculosis herd unless otherwise stated by sale management. The seller and sale management cannot be held liable.

AGENTS: Any person(s) acting as agent for the purchase of any consignment shall be held responsible for all of the terms and conditions of the sale including payment for their purchase. Agents are requested to have written authorization for the principals for whom they represent.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered they will be announced. Such announcement to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale management, nor the consignors can assume responsibility for any errors or omissions in the catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in this sale, the consignor subscribes to the various sales regulations and warranties as above set forth and assumes full responsibility for his animals. All representations are made by the consignor. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animals. Seller's responsibilities and warranties will cease when animal is resold. Great Northern Cattle Marketing LLC, as sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.

NOTE: You are respectfully requested to read the above terms and conditions of this sale, which constitute a legal contract between the Seller and Buyer of each lot, mutually binding in the event of any dispute.

Important Sale Information

Absentee Bidding

If you are unable to attend the sale, please feel free to contact the sale management or any member of the sales staff. They will be happy to assist and represent you at the sale. The sale staff is available to assist potential buyers unable to attend as well as anyone in attendance. Please feel free to call upon them for advice. Also, the sale will be broadcast live via www.cowbuyer.com with real-time bidding to pre-approved buyers.

Terms of Sale

Payment in full on sale day by cash or good check unless prior written arrangements have been made with the seller and/or sale management. For buyers not in attendance, full payment for purchases is due to the sale manager within 5 business days of the sale. No exceptions. Any special terms MUST have prior approval by seller or sale management. Partners reserve the right to bid on all partnership consignments. Buyers can protect their investments by purchasing insurance through a company of their choice. If buyers do not acquire insurance immediately at the time of purchase, Buyer is self-insuring the animal and assumes all risk at that point. All cattle become the risk of the purchaser at the time of sale.

Transportation

The sale management will make every effort to assist you with trucking arrangements for your purchases. All cattle to be removed from Maple-Leigh by 1:00 PM, Sunday, April 13th. Any buyer purchasing for export assumes all responsibilities for health testing and trucking for those purchases.

Terms of Sale for ET Choices

- 35% down payment on sale day with remaining 65% upon selection at no later than four months of age of youngest calf born in the group from which the selection is made.
- Seller is responsible for notifying buyer of birth of calves. Seller is responsible for all registry fees and any other applicable fees to obtain registry certificate. Seller is entitled to \$10.00 per day board after 4 months, based on age of youngest calf born in the group from which the selection is made. If buyer fails to make the selection and take possession within 60 days after the youngest calf is 4 mos. of age and if the seller has notified the buyer by certified mail of the impending default of the sale and after giving the buyer 10 days to respond to this certified letter, the sale will then be termed in default and the buyer will lose all rights as purchaser and will forfeit his down payment.
- Should for any reason a female not result from a respective flush, the following steps will be taken to fulfill the purchase agreement:
 - A) Seller will offer choice of remaining ETs from the respective flush
 - B) Seller will offer choice of another flush already implanted or choice of a future flush, mutually suitable to both buyer and seller. In the case of buyer getting choice of a future flush, no interest will be charged to the buyer, but payment schedules will remain the same.
 - C) If no pregnancies can be made available to the buyer, as in the sale or death of the donor, or the donor's inability to produce embryos; the seller shall provide the buyer a good, healthy, acceptable calf from another cow of equal or greater value as determined by sale management.
 - D) Any disputes regarding choice of flush purchases are strictly between buyer & seller. Sale management will negotiate and mediate on behalf of both buyer & seller but is not financially responsible.

Spring Show Participation

It is the buyer's responsibility to confirm that the animal purchased is entered for the spring show buyer wishes to participate in. The buyer must inform sale clerk that the registration certificate is needed for said show .
