THE REFLECTIONS OF JU-VINDALE HOLSTEIN SALE

Dear Fellow Holstein Breeders.

Welcome to “The Reflections of Ju-Vindale Holstein Sale.” Our goal as Registered Holstein Breeders has always been to breed sound, functional cows that last. We feel the true type cow is still the most profitable – the cow with the balance of dairyness and strength, correct feet and legs and a beautiful udder that will produce large volumes of milk over a long lifetime.

Cow families are the strength of our herd. Over the years, these cow families keep adding depth of pedigree. Our goal is for every mature cow to classify Very Good or Excellent. Our herd is mostly home-bred, but each year I like to add one or two deep pedigreed animals to our herd to strengthen our quality.

Julie and I have always kept a beautiful farmstead. To us, our image to the public is very important. Since we started selling raw milk here at our farm 7 years ago, our customers appreciate seeing clean cows, a clean barn, well-kept lawns and buildings and an atmosphere that is inviting for everyone. We sell raw milk, Queensboro butter, brown eggs, maple syrup and ground beef. More and more people want to buy direct from the farm.

Julie and I started dairy farming on April 1, 1976, on a rental farm for 9 years. We purchased a farm in Myerstown, Lebanon County, PA and were there for 23 years.

In 2008 we moved north to Cazenovia, Madison County, NY. This is a beautiful dairy farm and we have appreciated the community very well. So, after 44-1/2 years in the Registered Holstein farming business it is time to retire.

Please join us on Saturday, September 19, 2020 for our retirement auction. It has been a pleasure doing business with some of the finest people on earth – Registered Holstein Breeders.

Sincerely,
Vincent & Juliet Wagner

Vincent & Juliet Wagner

**THE REFLECTIONS OF
JU-VINDALE
REGISTERED HOLSTEIN SALE**

September 19, 2020

Thank you and best wishes to you
with your Ju-Vindale Holsteins!

A dairy bull stud based on...

Time-Tested Principles

- Deep cow families and proven sires.
- Balanced matings instead of extremes.
- Genetics bred for longevity.

At Triple-Hil Sires, we have the privilege of working with many great cattle breeders. Vincent and Juliet Wagner are among the best! Walking through their barns, *balance*, *longevity* and *profitability* are the words that come to mind in describing the Ju-Vindale cattle. In addition, the Wagner's have successfully marketed their genetics for many years, leaving their mark in Pennsylvania, New York and beyond.

We are humbled by the confidence that Vince put in the Triple-Hil Sire lineup and are looking forward to seeing these cattle develop in their new owners' herds.

Support the Wagner's today and add some solid, reliable Holstein genetics to your herd!
