7:00 P.M. CST

Welcome to the 22nd Badger Invitational!

Badger Dairy Club is excited to present to you the 22nd Badger Invitational Sale. Join us to be part of the rich history of the Badger Invitational!

Our sale committee has been working hard to continue our 44-year tradition and uphold the legacy of the Badger Invitational Sale. We are excited to offer more than 50 embryo and choice lots that are superior in type and backed by deep pedigrees. This year we are also excited to have the opportunity to offer a selection of video live lots.

The sale committee wanted to make sale day a memorable event for attendees so we are pleased to be hosting campus tours and a social hour that will include the presentation of the Dr. David Selner scholarship recipients, Outstanding BDC Alumni recipients, and the Dr. David P. Dickson Hall of Fame Inductee.

We would like to thank all of those who have helped and supported us throughout the planning of this event. We would like to especially thank our alumni advisor, Kevin Jorgensen, and Paula Bovre of Great Northern Cattle Marketing along with our generous alumni and consignors. This sale would not be possible without all of the support and guidance we have received.

Our dedicated committee—Kylie Konyn, Emma Vos, Emma Dorshorst, Garrett Ulness, Brianna Meyer, Lauren Breunig, Clarissa Ulness, Brooklyn Schwoerer, Jenna Gries, and Emma Mathison—has applied their expertise in design, communications, marketing, and pedigree selection to create an outstanding experience for consignors and buyers. Their months of hard work are about to come to life, and we can't wait to share it with you!

The 22nd edition of the Badger Invitational will surely be one to remember, featuring an incredible lineup that you won't want to miss. Join us on Saturday, March 8th at 7 p.m. CST on campus at Union South or online via CowBuyer.com. We look forward to seeing you there!

Thank you,

IVF SESSION FROM ROBUST-RED-ET

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Buyer is responsible for all costs of the aspiration and mating sire decisions.
