CELEBRATING 25 YEARS OF BLACK FIRE CATTLE CARE

To our family, friends, consigners, and potential buyers,

Bret and I would like to extend a very heartfelt thank you to anyone and everyone that has helped us along our 25 years of Black Fire Cattle Care! Little did we know that what started as a crazy idea of two eighteen-year-olds would turn out to be a lifelong endeavor that would allow us to meet so many wonderful people in the cattle industry!

We would like to give an extra special thank you to our wives Stacy and Johanna, and our parents. Without the love, support, and multiple, multiple hours put in over the past 25 years we would not be where we are today without you.

We are also very excited for the future of Black Fire Cattle Care!

Brynley, Cooper, Raegan and Evelyn, it is our hope and dream that you will find the same love and interest in the dairy cow that we have. It is the dairy cow that has led to so many lifelong friendships and connections for us and we truly hope that you are able to find those same relationships as you get older!

To any potential buyers of the cattle that we have on offer, we have found great pleasure in exhibiting most of these cattle already. They say that if it hurts to let them go then you are selling the right ones.....it hurts! Members of this group hail from multiple generations of VG or EX families. Lots are on offer that hold All-Canadian and All-American titles from 2024. There are animals in this sale that we feel will go on to collect more titles for their new owners in 2025!

Again, thank you all for showing your interest in our cattle and our families!

Sincerely,

Shaun and Bret

Thank you!
