

68th Edition

NATIONAL HEIFER SALE

**Thursday, June 26, 2025
6:30 p.m. (EDT)**

Embassy Suites-UK Coldstream
Lexington, Kentucky

Virtual sale broadcast live via **Cowbuyer.com**

SUPPORTING JERSEY YOUTH PROGRAMS

Youth at the 2023 All American Jersey Events representing Class VII of Jersey Youth Academy.

A few of the scholarship winners are pictured at the left.

The National Heifer Sale has been building the future of the Jersey business in two important ways for 67 years. Since its inception in 1958, the sale has provided an opportunity to purchase some of the breed's most promising genetics. More importantly, however, it has generated continuous funding for Jersey youth programs. The National Heifer Sale has been a cornerstone in providing the incentive and encouragement for excelling with Jerseys. A percentage of the sale proceeds are set aside for Jersey youth programs, including national achievement and production awards and support of state and local events, such as shows, achievement and production recognitions, and educational efforts. It also supplies partial funding to Jersey Youth Academy since 2009.

The success of these programs has been demonstrated by the many former Jersey juniors who are now making a living with Jersey cows. They include many recipients of the AJCA Young Breeder Award. Some have assumed leadership roles on our AJCA and NAJ Boards of Directors. Others have affected the future of the dairy industry through their involvement in milk cooperatives and in allied dairy industry such as A.I., research, and education.

Today, there are more junior members—3,834—of the American Jersey Cattle Association than there are active lifetime members. They have the same registration privileges as lifetime members, but also the incentives of a comprehensive program leading to national recognition for their achievements.

We express our deepest appreciation to the consignors of the 47 consignments in this catalog for the 68th annual National Heifer Sale. They have selected the finest heifers from their herds, and have been most generous in supporting today's Jersey youth and the future of our breed.

Join us on June 26, 2025, in Lexington, Ky., or on CowBuyer.com, to invest in the future of the Jersey breed. When you bid, you're bidding not only to help yourself but also our youth. Ten percent of all sale proceeds will be deposited directly to the National Jersey Youth Development Programs.

Please bid generously and support our future — the Jersey youth.

The 68th National Heifer Sale

Special Presentation

The Kenny Stiles Memorial Award will be presented to the consignor of the highest selling animal.

The genetic evaluations contained within this report, unless otherwise noted, are provided by the Council on Dairy Cattle Breeding as the steward of the National Cooperator Database. The National Cooperator Database houses producer owned milk, management, ancestry, type, and genotype data for the use in genetic evaluations and independent research. Data included in the National Cooperator Database is submitted through certified organizations for data quality and integrity. As such, individual traits - along with the Lifetime Net Merit \$, Cheese Merit \$, Fluid Merit \$, and Grazing Merit \$ indexes - are Powered by CDCB, unless otherwise noted. For more information about the individual traits Powered by CDCB and the verification and validation of evaluations, visit <https://uscdbc.com/cdcbmarks/>

The pedigrees in this catalog are prepared by sale management using the most recent pedigree information available. Breeding and production information is provided to us by the consignors. Although information is verified to the best of sale management's knowledge, management cannot guarantee against errors or omissions.

All announcements from the box on sale day, take precedence over printed materials.

The American Jersey Cattle Association and National All-Jersey Inc. promote the use of authentic and unaltered photographic images of Jersey animals, and disapproves of the use of any photographic images that alter the body of the Jersey animal. The American Jersey Cattle Association therefore requests that all photographic images of Jersey animals submitted for publication in catalogs of Jersey Marketing Service contain no alterations to the body of the animal.

Despite its best efforts to ensure that only unaltered photographs of Jersey animals are used in this publication, the American Jersey Cattle Association cannot guarantee that every photographic image of a Jersey animal is authentic and unaltered.

Pedigree = Proven Performance

The production is bred into every heifer selected for the National Heifer Sale. Buyers of previous consignments have realized the benefits of this potential.

TERMS AND CONDITIONS FOR CONSIGNMENT SALES

Adopted December 31, 2005 by the American Jersey Cattle Association

TERMS: The terms of the sale are cash, check, or wire transfer for the full purchase price in U.S. funds on sale day. Parties unknown to the seller or sale management must furnish a statement or letter from his/her bank or a certified check. The seller, sponsor, or sale manager reserves the right to require payment by wire transfer, certified check, or in cash. If other arrangements for payment are made with the seller, a written agreement acknowledging such terms and signed by both parties must be filed with the sale clerk prior to release. All payments must be made to the sale clerk. No release will be given prior to a satisfactory settlement, whereupon a signed order from the clerk must be presented to the loading supervisor. Seller retains title until payment has been honored unless other arrangements are made. Buyers are entitled to warranties as listed below only after full compliance with these terms.

SALE POSITIVE: The highest bidder shall be the buyer. Every animal is pledged to absolute sale unless withdrawn for cause as determined by the sale manager. In case of dispute the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. If two or more claim the bid, the auctioneer shall indicate the party whose bid was recognized. Other claimants will be given an opportunity to increase the bid. Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog or announced from the auction stand.

CERTIFICATES OF REGISTRATION: Certificates of registration or identification (whichever applies) showing transfer to the buyer on the records of the American Jersey Cattle Association will be furnished by the seller for each animal at no cost within a reasonable period of time. An animal may not be transferred back to the seller for a period of one year except at the discretion of the American Jersey Cattle Association. Registration certificates show registration on the records of the American Jersey Cattle Association, but are not documents of title.

CATALOG INFORMATION: The material in the sale catalog has been carefully edited. Any errors, omissions, or information noted after printing of the catalog will be announced from the auction stand. Such announcements will take precedence over printed matter in the catalog. In any event, neither the sponsor nor the sale manager shall be responsible for errors or omissions.

RISK: All animals are at the buyer's risk as soon as struck off, but will be cared for at no cost for 24 hours. Buyers must make arrangements for care of their purchases beyond the 24 hour period. Animals are solely at the seller's risk prior to being struck off, including that time while under the care and supervision of the sponsor or sale manager.

WARRANTIES:

(a) **Title.** The seller warrants clear title to the animal and other items sold and the right to sell the same.

(b) **Breeding.** The seller guarantees his/her animals to be breeders, but not beyond the purchase price, with the following understanding:

Males: Should any bull within four months after the sale date or within four months after reaching the age of fourteen months, whichever is later, fail to prove a breeder after being used on a registered Jersey female known to be a breeder, the matter shall be reported in writing to the seller who shall have four months from the date the bull is returned to him/her to prove him to be a breeder, before refunding the full purchase amount or making other satisfactory settlement with the buyer.

Females: Any female that has freshened normally within ninety days prior to the date of sale is, by that fact, considered to be a breeder. Should any other female when fresh over ninety days fail to become pregnant within four months of the sale date, or if she is less than sixteen months old when sold fail to become pregnant by the time she reaches the age of twenty months, after having been bred to a registered Jersey bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within 90 days of the applicable limit, and the seller shall then have the privilege for four months after receiving the animal to prove her a breeder before refunding the full purchase price or making other settlement satisfactory to the buyer. Females bred when sold and pronounced in calf are presumed to be pregnant, but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant females will deliver calves or that they will carry them full term. Superovulation or flushing of a female after the sale negates any breeding warranty. Unless notice has been given to the sale manager prior to sale date and is noted in the catalog or announced from the auction stand that a female has been superovulated or flushed prior to sale date, the seller warrants that such is not the case. For animals that have been superovulated or flushed, a complete record of all embryo transfer offspring, pregnancies, and frozen embryos by service sire are to be given to the sale manager.

(c) **Embryos.** Only Grade 1 embryos collected and processed by an embryo transfer business (ETB) certified by the American Embryo Transfer Association (AETA) will be sold. Sale manager will have a copy of the Certificate of Embryo Recovery and Certificate of Freezing (AETA Forms A and C) before and during any sale.

(d) **Choice of Pregnancy.** Should an animal chosen from a specified flush fail to meet the breeding warranties, or should an animal of the sex specified by the buyer not result from a specified flush, the buyer and seller will take the following steps:

1. Seller will offer the choice of remaining animals from the specified flush, and/or
2. Seller will offer the choice of another flush already implanted or of a future flush. If the buyer accepts the choice of a future flush, unless otherwise agreed no interest will be charged to the buyer, but payment schedules will remain the same.
3. If neither of the above options are acceptable to the buyer, the seller will make full refund of all payments received.

(e) **Limited Warranties.** The Seller makes no other warranties, express or implied, including without limitation, merchantability or fitness for a particular purpose. All warranties cease when an animal is resold or transferred by the original purchaser.

HEALTH CERTIFICATE: The seller will provide to the buyer an official health certificate for interstate shipment of each animal. No warranty is made as to the condition or health of the animal or the result of any future health test or as to the condition of an animal's udder following calving. Herd and/or area accreditation and certification status and calfhood vaccination status will be printed in the catalog or announced from the auction stand. Health tests and condition for export sales to foreign countries or states with special health requirements are the sole responsibility of the buyer unless otherwise announced from the auction stand or otherwise agreed prior to sale between the seller and the potential buyer.

SHIPPING: Assistance will be given in loading and shipping animals after the sale but no risk is assumed by anyone associated with the sale when such assistance is given. All costs, risks and responsibilities are borne by the buyer, and transportation charges on all animals subject to adjustment shall be paid by the buyer, unless other arrangements are made.

ABSENTEE BIDDERS: While it is preferable for prospective bidders to attend the sale in person, for the convenience of those not present, members of the sales force will represent you at the sale. Others handling bids for absentee buyers should identify themselves to the sponsor or sale manager before the sale to ensure that the terms of the sale are complied with. Any person handling a bid for an absentee buyer does so as agent only and is not responsible to the buyer for any animal he may purchase in that capacity.

RESPONSIBILITY: The seller is solely responsible for all warranties, as to animals or other property offered for sale. The sale manager, auctioneer and sponsor are acting as agents only and are not responsible for the title, condition, quality, fitness, or productiveness of any animals or other items sold.

Examination of all purchases should be made immediately after purchase, and any complaint must be reported to the sale manager before the close of the sale. Neither the sale manager, the sponsor, the seller, the auctioneer, nor anyone associated with the sale shall be responsible for accident, injury or property loss to anyone attending the sale. The sale manager, sponsor, and auctioneer shall not be liable for payment of the purchase price of any animal or other item sold. In submitting entries and/or selling animals or other items, the seller agrees to the terms and conditions set forth herein and assumes full responsibility of his or her animals.

PENALTIES: Violations of these terms and conditions shall be considered unethical sales practices and shall subject the violator to such penalties as may be imposed by the American Jersey Cattle Association.

CLARIFIDE
plus

Your Jersey Calves Are Your Legacy

PREDICT HOW HEALTHY THEY AND THEIR NEXT GENERATIONS ARE LIKELY TO BE BY PROACTIVELY TESTING THEM WITH CLARIFIDE® PLUS.

Predictions for calf livability, respiratory disease and scours, plus mastitis, lameness, metritis, retained placenta, displaced abomasum, ketosis, milk fever and three additional fertility traits. And with the powerful economic index — the Dairy Wellness Profit Index® (DWPS®) — producers have the ability to help choose and plan for a healthy and profitable herd from calves to cows.

To learn how CLARIFIDE Plus can help make your life easier by selecting heifers to help build a healthier herd, contact your Zoetis representative or visit CLARIFIDEPlus.com.

Our goal is to help you achieve all of yours. On your operation, every outcome—from improved reproduction to quality milk—affects your success. And we'll be there to help you develop programs and solutions to improve those outcomes. Because that's how, together, we'll achieve Dairy Wellness.

“DAIRY CHECKOFF PARTNERSHIPS GIVE FARMERS A VOICE AND A SEAT AT THE TABLE.”

– Gerret Boer, Boer Dairy, Texas

The average U.S. household spends nearly 60% of its food budget on meals away from home. That's why checkoff food scientists help develop dairy-centric menu items through partnerships with leading restaurant chains that boost dairy sales.

And that's making every drop count.
