

# Pleasants County Fair Livestock Sale

PO BOX 269 St. Marys WV 26170

Once you have purchased an animal on the virtual sale, buyers have the following options:

- Take the calves, hogs, or sheep home and add them to your stock, or sell them on you own.
- Have the animal slaughtered. The PCAYF will haul your purchase to Hickory Hills Meat Processing. You must then contact Hickory Hills (740-374-6916) on Monday, Sept. 21 and tell them how to process your meat and pay for your processing fees.
- Donate it back to: The PCAYF Board, the Pleasants County 4-H Foundation, the Alpha Ankrom Scholarship Fund, the Delno Higgins Scholarship Fund, or the David C. Mankins 4-H Scholarship Fund. Donated animals will be transported to a local livestock market and resold at fair market price, with the proceeds donated to the organization you have designated from the list above.
- Donate the animal back to the exhibitor.
