The auction will utilize an auto-extend, soft closing.

With this feature, the bidding will close up to two (2) lots at the same time starting with Lot 1 and working through the catalog. Once two (2) minutes have lapsed without any bidding activity, the bidding on those items will be closed. Then the next set of lots will close in the same manner until they receive no additional bids, until all lots have closed.

Buyers utilizing Cowbuyer may pay by credit card. Buyer's fees of 4% apply.

Invoices will be emailed and/or mailed immediately.

ALL purchases must be settled within 5 business days of the sale.

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer.

Buyer keeps all resulting embryos from these controlled IVF sessions.

Buyer is responsible for all costs of the aspiration and mating sire decision.
