# AMPLIFY

AMP UP YOUR GENETIC BASE

HILMAR, CALIFORNIA

@ vierradairyfarms

**W**e are truly honored and excited to welcome you to Vierra Dairy—a place that has been near and dear to our family for generations. Our roots in the dairy industry stretch back to the 1940s, when Anthony and Marie Vierra began what would become a lifelong passion. In 1967, they settled here in Hilmar, and this land has been home to our dairy ever since.

In 2009, Anthony and Marie's eldest daughter, Maria, and her husband, Matt Swanson, took the reins and thoughtfully built Vierra Dairy into what it is today. That legacy continues with the next generation, as their daughter Maia and her husband, Peter Cipponeri, now manage our 2,000-acre operation and herd of 10,000 cows. Most days, you'll find Maia and Peter on the dairy alongside their seven-year-old twins, Reagan and River—raising their family in the same dairy lifestyle that has shaped generations before them. In addition, Will Wiersig (married to Savannah) handles risk for the dairy, Max Tyson (married to Cameron with son Vaughn) purchases feed, Son Jack Swanson (married to Sydney, with baby due in April) runs Associated Hulling and Shelling and sources hulls for the dairy, and first cousin, Anthony Borba manages the farming for Vierra Dairy.

We feel incredibly blessed to continue what Anthony and Marie started so many years ago. The strong foundation laid by our family before us is something we cherish deeply, and we look forward to carrying that legacy forward for many years to come. Vierra Dairy is truly a labor of love, made possible by our entire family and our dedicated team, whose hard work and commitment have been essential to our success.

Our primary focus is breeding an elite genetic herd, and we have proudly invested in some of the industry's top genetic families. In 2018, the purchase of Showdown Justine (E-93%) marked a turning point, fueling the growth of our show string and elite type genetic program. We are humbled to have earned Grand Champion honors at the International Jersey Show at World Dairy Expo for six consecutive years. We are also excited to share our genetics more broadly through Westlock Genetics and Vierra Genetics, powered by JLG.

The 2022 and 2024 AMPLIFY Sales were tremendous successes, featuring many All-Americans and several champions, including Stoney Point Joel Bailey E-97%. We truly believe this third edition will be the best one yet.

With an extensive IVF and flush program, we are once again proud to offer some of our very best genetics, along with an outstanding group of consignments from our industry friends. We sincerely thank all of the consignors for trusting us with your very best. The success we've experienced is bigger than any one of us, and we feel incredibly blessed that the Lord has allowed Vierra Dairy to become a world-renowned name, giving us a platform to glorify the Kingdom of Jesus Christ.

Welcome to Vierra Dairy and to the AMPLIFY – Amp Up Your Genetic Base Sale. We're so glad you're here.

# VIERRA DAIRY FARM

## IVF SESSION

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, March 26, 2010 and March 24, 2016

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving. The sex of an embryo or fetus is in no way guaranteed.

### 3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
