If Buyers do not acquire insurance immediately at the time of purchase, Buyer is self-insuring the animal and assumes all risk at that point. It is not the Sellers nor Sale Managers responsibility to insure cattle for the Buyer once the gavel has fallen whether purchased by the Buyer at the sale, through an agent or on the internet.

Choice of Multiple Animals/Individual Live: Any choice of live animals offered is 100% due at time of purchase. Choice of flush: 35% of the selling price is due on sale day, unless noted otherwise in the catalog or announced, to sale management. The remaining balance is due direct to the seller upon selection of your purchase. All health testing and insurance details outlined in these terms and conditions shall apply. Payment for animals sold in absentia is expected in full on sale day. Any animal selling in absentia is guaranteed to be in good health and condition at the time of the sale. It is the Buyer's responsibility to provide Seller with information needed for interstate health charts for delivery of the animal and transportation plans and instructions. It is the sole responsibility of the Buyer to arrange for transportation of the purchased animal. All animals in the sale may be inspected by prospective Buyers or their agents prior to the sale upon request to the seller.

Embryos: Embryos sold on a per embryo basis times the number of embryos offered in the package unless otherwise noted or announced.
