## A WORD FROM WES:

Wow, what a wild year it has been! If you had outlined the year's events for me in January, I would have never believed it possible. I think many of you would agree. However as autumn begins and the days get cooler, we can see the familiar return of fall and with it the Texas Proud Fall Female Sale.

It was with great reluctance that CAT was forced to cancel the Spring Innovation Sale earlier this year. But as you look through this offering you will see that breeders continued their pursuit of cow herd excellence despite the challenging times.

I would like to take a moment and thank all the consignors and the Charolais Association of Texas membership for digging deep into their respective herds and bringing these quality genetics to town. It is only through their efforts that such a great set of cattle can be offered for your evaluation.

Take your time and look through this book, mark your favorites, and plan to join us on Friday night for an evening of Charolais camaraderie followed by the Texas Proud Sale, Saturday, October 10, 2020. If there is anything, I can do to assist you in any way, please do not hesitate to call!

See you on sale day,

**Wes Chism**

This is an own daughter of the SC Cool Water 121 that won Junior National in 2014, and her sire DCR Substance is known for siring highly functional performance cattle with great eye appeal. 1124 is a female that does everything right. She is very fertile and heavy milking and does a great job raising her calf, sired by the Denver champion Saint Christopher. She has a royal pedigree and all the pieces to be a great show heifer or front pasture cow herself. Don't get caught sleeping on this cow or heifer calf split!
