### **To All Beef Producers,**

It is my privilege to welcome you to the 48th Annual “More For Your Money” Fall Sale. It is one of the longest continuous purebred consignment sales on the East Coast. The Southwest Virginia Angus Association is sponsoring this sale as they have done for many years. The SWVAA works to support the entire beef industry in the *Great Southwest*. The SWVAA adheres to the genetic evaluation policy of the American Angus Association. As with our Spring Double-Header Sale, if you do not feel comfortable attending in person due to the impact of COVID-19, we would like to remind you that the sale will also be streamed live on Cowbuyer.com where your bids will be received in real time. If you prefer to bid by phone, please contact either Smith Reasor or myself before sale day and we will provide you with a number you can call to place your bids that day.

We have eleven consignors participating from all over Southwest Virginia and East Tennessee. We are selling cow-calf pairs and some of the calves will be ready to split from their dams. There is a nice group of fall-calving cows with baby calves as well as open and bred heifers in this sale.

Don't hesitate to give me, George T. “Buddy” Johnstone Jr., a call (620-4901 or 228-8496) or Smith Reasor, Auctioneer (620-3123). We have a nice selection of cattle from which to choose. They will be available for your inspection after 12:00 on Friday, October 23, 2020.

**Southwest Virginia Angus Association hereby reserves the right in its absolute and total discretion to refuse to accept any bid from any person or individual or to issue a bid number for any reason, including but not limited to, a previous instance of non-payment in a Southwest Virginia Angus Association sale.**
