HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

WELCOME TO BEAN'S COVE.... THE CENTER OF THE UNIVERSE?

Clearville, PA's Cessna family welcomes you to the "Bash in Beans Cove," otherwise known as The Pennsylvania Holstein Association State Picnic and Sale! The sale will take place at 12:30 on Friday, July 3rd, 2026 at Cessna Brothers dairy farm in beautiful southern Bedford County, with lunch starting at 11:30. Preview of sale animals will be available on Thursday evening.

The "Bash in Beans Cove" is not just an opportunity to purchase excellent pedigree animals with both show and marketing appeal, but also an opportunity for fellowship between members, Holstein breeders, and friends, both old and new! Of course, Junior members can also take advantage of what the "Bash" has to offer, and we will transfer quickly in your pursuit of JR All-PA and JR All-American honors.

Cessna Brothers Dairy has bred and/or developed 100+ Excellent cows under the C-Cove prefix, over 30 All-Pennsylvania award winners, three All-American nominated individuals, one Junior All-American nomination, and one Red & White AA nomination. When the herd began in 1987, their first BAA was 99.8 with only one VG cow in the herd. Today, they stand at 111.8! This herd has been a force on the PA Holstein Show scene for the past decade or so, capturing the banners at the Central PA Championship Show five times. Throughout the catalog, you will find offspring from their

most impactful cows, past and present. Today, their most recognized cow is EX-94 Duplo Dixie, and her only daughter sells as Lot 1. A few past examples of cows that helped build this fabulous herd are Reflect Lexus and Phoenix Lulu, both EX-94, who also brought the Cessnas considerable notoriety-- both byproducts of a long relationship with Dr. Ron Kling.

In addition to the development of their excellent herd, the Cessnas have been great leaders of the Bedford County Holstein Association and local farm bureaus. Wayne (a.k.a. Buck) served as the Bedford County Director on the PA Holstein Board, chairing the Show and Activities Committees before becoming the Vice-President. In 2021, Buck and his wife, Dana, chaired the Tour Committee for the National Convention hosted in PA. To round off his accomplishments, Buck served as President of PHA from 2022-2024. Buck and Dana have two adult children, Tyler and Molly, who are married to their spouses, Morgan and Ben, respectfully. While both showed in Junior competition, Molly attended state conventions, competed in various Junior contests, and was recognized as a PA Distinguished Junior Member finalist and reached Semi-Finalist status on the National level. Following in her dad's footsteps, Molly currently serves as the Bedford County Director on the state board of directors. The Association is immensely grateful for their leadership, both past and present!

C-Cove Holsteins is just one of the Cessna Family's many enterprises. There are 20+ family members involved in daily operations of their numerous businesses. Buck's brothers, Clinton and Craig, and Craig's sons, Trent and Cooper, share the daily chores on the dairy with Buck, Dana, and Molly, while the family also manages cow/calf and finish beef operations overseen by Buck's brother Howard. Their other businesses include a large sawmill, horse stables, and the farming of four hundred acres across three different states.

Buck often says that Beans Cove is the center of the universe, though the truth of that statement is hotly debated. However, it will most definitely be the center of the Pennsylvania Holstein universe on July 2nd and 3rd, at the "Bash in Beans Cove" Picnic and Sale! We hope to see you all there!

IVF SESSION

Buyer is purchasing rights to control the next IVF session(s) of either.
Buyer's choice. Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.
