www.brubakersales.com

Welcome,

Welcome to the 26th Hokie Harvest Sale. Things are a bit different this year but you have two ways to bid and add that exceptional female or valued herd sire.

You know everything we know about these cattle. Actual production, performance, ultrasound and Genomics allow you to make a great decision with your selections. Bid with confidence as these cattle are backed 100% by VT.

Should you have any questions contact Dr. Eversole, Chad Joines or Ken Brubaker for assistance.

Thank you for your support of the VT Program.

*Regards,
Ken Brubaker*

Fellow Cattle Breeders,

On behalf of the Department of Animal and Poultry Sciences at Virginia Tech, we would like to take this opportunity to invite you to join us for our 26th Annual Hokie Harvest Sale. The past seven months have been very challenging in academia with the COVID-19 restrictions. In keeping with the current CDC and the Virginia Tech guidelines, we have canceled the merchandising class and this year's sale will be strictly online and will have no student involvement.

You can join us online for the sale at www.cowbuyer.com but must register at least one hour before the sale in order to watch/bid online in real-time. If you do not have consistent, high-speed internet to bid through Cowbuyer, we have arranged for you to bid via tel-o-auction. Prior to the sale, please call 540/908-5799 to pre-register to be on the Tel-O-Auction line. You will be given a bid number and conference line number to bid in. For your convenience, the cattle will be available for inspection by appointment only the week prior to the sale, and we will be posting videos of the cattle online prior to the sale.

The beef cattle program strives to raise the most predictable genetics available and will feature both purebred and commercial beef cattle. Breeders of purebred Simmental, Charolais, and Angus cattle will be able to select AI-sired progeny from a cross-section of the VT Beef Cattle herd. Some of our very best females and bulls have been hand-picked stemming from elite donors that combine curve-bending EPDs, breed-changing genetics, and acceptable phenotype. Mature cows with proven production records and promising herd sires from predictable cow families will be sold. All four spring-born calves will sell separately from their dams. A strong set of fall-calving commercial cows of SimAngus origin will also be offered.

The Department of Animal and Poultry Sciences takes great pride in our university, our livestock, and especially our students. Given the uncertain and uncomfortable era that we are currently experiencing, it was the proper decision to eliminate student involvement in this year's sale. An abundance of caution has been put in place to provide safety to our buyers, alumni, friends, parents, students, and staff. It is unfortunate that we will miss the opportunity to welcome everyone to the 'Harvest' but we truly have appreciated the unprecedented support over the years by our customers.

Sincerely,

Dan Eversole, Director
Beef Cattle Programs

Chad Joines, Director
Beef Cattle Operations

How Do I Bid and Pay?

To Bid By Phone

Call 540/908-5799

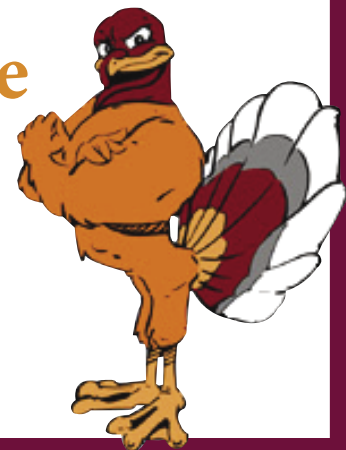

Prior To Sale Day to Pre-Register.
You will receive a bid number and
phone number to call in.

To Bid On Internet

Go to www.Cowbuyer.com
(See page 3)

To Pay

Call Chad Joines at 540/557-7263
to arrange animal pickup.
Payment will be made at the
time of pickup.

LIVE INTERNET BIDDING AT www.cowbuyer.com

- View/bid online in Real Time
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyerlive.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within five (5) days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.

For questions or information, contact:

Aaron Ray Tompkins – 336/363-4639, atompkin@vt.edu

HEADQUARTERS FOR PRE-SALE CATTLE VIEWING (APPT ONLY):

Beef Cattle Center and Alphin-Stuart Livestock Arena, 500 Plantation Road, Blacksburg, Virginia

CONTACTS:

Dr. Dan Eversole: (540) 231-4738 (o), (540) 641-0295 (cell),
deversol@vt.edu

Mr. Chad Joines: (540) 231-6280 (barn office), (540) 557-7263 (cell),
cjoines@vt.edu

PRE-SALE INSPECTION:

Cattle are available for inspection by appointment only the week prior to the sale.

FOR MORE PICTURES, VIDEOS, AND DETAILS:

<https://www.apsc.vt.edu/facilities0/beef-center.html>
or www.cowbuyer.com

TERMS & CONDITIONS:

Cattle sell under the Standard Terms and Conditions as suggested by the American Angus Association, American-International Charolais Association, and the American Simmental Association. Cash or good check will be accepted. All purchases are to be settled for at the conclusion of the sale and will remain at the VT Beef Center until proper settlement is made.

REGISTRATIONS & TRANSFER:

Registration certificates will be transferred to the buyer at the seller's expense. Buyers must provide full name and address for transfer. Association member codes would be helpful if you are a member of a purebred breed association; however, this is not required to purchase cattle. Animal transfers will be done after settlement.

HEALTH REQUIREMENTS:

1. All cattle for sale will meet the health requirements of the Commonwealth of Virginia and appropriate health papers will be furnished for interstate shipment. Every female (4-12 mo.) has been calf-hood vaccinated for Brucellosis. All cattle are tested free from Brucellosis (Herd No. 1498), John's Disease, and Bovine Leukemia Virus (BLV).

2. If sale cattle are returned to the seller for an adjustment, they must meet health requirements of the Commonwealth of Virginia.
3. Yearling bulls have undergone a breeding soundness examination (BSE) and are considered satisfactory breeders as defined by the Society of Theriogenology. Buyers will be given a copy of the BSE results.

BREEDING GUARANTEE:

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with exception of:

- Injury or disease occurring to the animal after time of purchase.
- Gross negligence or willful misconduct on the part of the purchaser.

HERD HEALTH:

All pregnant females were given a pre-breeding vaccine which consisted of a modified-live virus IBR-PI3, BVD, BRSV, and a 5-way Lepto bacterin. Any questions concerning general herd health can be directed to Dr. Terry Swecker, College of Veterinary Medicine (0442), Virginia Tech, Blacksburg, VA 24061, 540/231-7375.

ANNOUNCEMENTS:

Announcements on sale night will take precedence over printed material in this sale book. Virginia Tech reserves the right to withdraw any sale lot from the sale that does not meet their specifications prior to the sale.

EPDs represented in this sale book were current at the time requested for the layout and printing of this sale book. EPDs are recalculated throughout the year by the respective breed associations, which mean the figures represented in this book may change for these animals in the future.

Watch/Bid in Real Time Online at
www.cowbuyer.com

Registration is required.

BUBS SOUTHERN CHARM AA31 - SIRE OF LOT 2A

- ▶ Examined Safe to E & B Plus One, due 2/20/21
- ▶ She is built from multiple generations of calving-ease genetics to afford you trouble-free production.
- ▶ This cow will add carcass value, as she ranks among the top 15% on Marb and \$G and well above breed average for RE.

- ▶ Sells Open
- ▶ Well balanced heifer that blends the power of the Lot 1 cow with "Hickok"
- ▶ She has the credentials to mature into valued brood cow.

- ▶ Examined Safe to BUBS Southern Charm AA31, due 1/29/21
- ▶ This young daughter of the calving-ease sire "Journey" offers trouble-free low-birth with a CED in the elite 3%.
- ▶ She hails from the highly regarded VT "Blackbird family" that is well known for superior production.
- ▶ Her EPD profile places her well above breed average on multiple traits. She will mature into a valuable brood matron.

- ▶ Sells Open
- ▶ This quality heifer is sired by the very popular "Southern Charm" who is one of the leading sires in the breed.
- ▶ She offers calving-ease and like her Dam ranks well above breed average on multiple traits.
