43rd Annual Autumn Review Sale

Greetings, Alumni, Family, and Friends,

As President of the SUNY Morrisville Dairy Club, it is my pleasure to welcome you to our 43rd SUNY Morrisville Annual Autumn Review Sale! We are excited to present a lineup of exceptional pedigrees and genomic cattle, and we are proud to continue this important event for our club and community.

I would like to thank everyone who has worked tirelessly to help make our sale a success. A huge thank you to our advisors, Dr. Mooney, Professor Hayes, and Professor Jones, who devote countless hours each year to leading a new group of students through another sale. Their leadership and commitment are truly appreciated.

Additionally, thank you to Megan Klossner, Sara Dreibelbis, Hayden Fry, Elanna Gelser, and Kelly Niefergold for their tremendous effort in organizing and securing consignments. Without all their help and countless hours of commitment over the summer, this sale would not be possible. I would also like to recognize our committee chairs, who each take on significant responsibility to ensure the success of their part of the sale.

Lastly, a thank you to all the Dairy Club members – thank you for your dedication, teamwork, and passion. From volunteering in the community to sharing your love for the dairy industry, your efforts make this event a success and ensure that the club continues to thrive for future generations of students.

We are truly grateful for your support, and we are so glad you could join us today. This sale is something we have all been eagerly anticipating, and we are honored to share it with you. We wish you the best of luck with your purchases—and remember, bid fast and bid last!

Sincerely,
Reese DeVito
Dairy Club President and Sale Chair
