

37TH ANNUAL

NITTANY LION FALL CLASSIC

SATURDAY OCTOBER 24, 2020 - 10:30 AM - REEDSVILLE, PA

The 2020 Nittany Lion Fall Classic

In Loving Memory of Caleb B. McGee

The members of The Penn State Dairy Science Club would like to dedicate the 37th annual Nittany Lion Fall Classic Sale in memory of Caleb McGee.

Caleb was a member of The Penn State Dairy Science Club and The Pennsylvania Junior Holstein Association, where he showed his love and passion for the dairy industry. Caleb's show career began at a young age with the help of his loving parents, Becky and Brian McGee, and younger brother, Jonathan, of Clearfield, PA. His family successfully raised quality show heifers under the prefix Dayspring. In 2018, Caleb achieved his goal of walking the colored shavings with his heifer, Dayspring Diamond Jingle, where he won both the junior and open show class. Caleb participated in many events throughout his Jr. Holstein career including; Dairy Bowl, Dairy Jeopardy, and the YDJM contest. Caleb was blessed with a sharp eye for dairy cattle and

participated in judging at both the 4-H and collegiate level. Both of his teams placed second at World Dairy Expo; and he placed in the top five individually at the National Intercollegiate Contest in 2019.

While his time at Penn State was short, he left a lasting impression on his friends, professors, classmates, and fellow Dairy Science Club members. Caleb was a promising young student and a cherished member of the Dairy Science Club. He participated in many events for Penn State, including being one of the Spring Judging Contest Chairs. He was also extremely active in the Nittany Lion Fall Classic sale, where aspired to one day be the sale chairman. With Caleb's sharp eye for cattle and loving personality, he would have undoubtedly had one of the most successful sales to date.

Caleb's personality was unmatched, his smile and laughter were infectious, and he had the rare ability to bring light to any situation. Caleb left a lasting impression on every person that he met, and he will be missed by so many. The industry lost a promising young dairy enthusiast; however, we know that he will be watching over all of us for this year's sale, and the years to come.

Payment Information

Terms of Sale:

Cash/Check/Credit Card

(3% buyer's premium charged on credit card purchases)

First time buyers must present a current bank letter of guaranteed funds made payable to Pennsylvania Holstein Association.

If buying via Cowbuyer.com or sale staff representation, then full payment must be made within 5 business days of the Sale. Preferred forms of payment received are Credit cards through Cowbuyer.com or PA Holstein Association; overnight shipped certified check or wire transfer to PA Holstein Association account.

REAL-TIME BIDDING ONLINE AT WWW.COWBUYER.COM

- View/bid online in Real Time
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyer.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within five (5) days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.

For questions or information, contact:

Aaron Ray Tompkins – 336/363-4639, atompkin@vt.edu

Thank
you

KEN RANEY

..for your years of service with
the PA Holstein Association
and all your support to
the Dairy Science Club!

We appreciate all you have done!
Enjoy your well deserved retirement!

GRF MS YASAFUKU F57
SELLS AS LOT 103

Lot 103

GALA ROSE FARMS
DR BEN KENNEY
207-314-7103
COWDOC15@GMAIL.COM

Selling: GRF MS Yasafuku F57 Born: December 27, 2018

Sire: CHR Hirashige Tayasu 533 FB13499

Dam: GRF MS Yasufuku C10 (FB23330)

MGS: Itoshigefuji 112X (FB12325)

Highest milk EBV in the breed

Sexed Embryo Being carried by F57 is Due: May 26, 2021

Sire: Old Stone Legend (FB41493)

Dam: GRF MS Shigeshigetani C06 (FB22886)

Start setting up your recipients, because you will want more of these genetics on your table and in your barn. GRF MS Yasafuku F57 is a donor prospect you can build a herd around. Her Grand sire, Itoshigefuji 112X (FB12325), is a very large bull with excellent conformation and the highest milk EBV in the breed. Her dam, GRF MS Yasufuku C10 (FB23330), carries the highest of Japanese marbling genetics, with Yasufuku 930 and Kitaguni 7/8, twice in her pedigree; Both bulls being winners of the wagyu carcass championship held in Japan. F57 is free of all recessive traits and checks all the boxes for phenotype and genotype.

GRF Yasufuku F57 is carrying a female sexed embryo out of our donor cow, GRF MS Shigeshigetani C06 (FB22886), by Old Stone Legend (FB41493) due to calve 5-26-2021. C06 is from the Hikokura line that is famous for animals such as Mayura Itoshigenami Jr., who is the number 1 marbling bull in the breed and whose semen set a world record at \$68,000.00 per straw. Old Stone Legend is a Hikokura line bull with that breeding present in three of the four legs of his pedigree. This duo would provide two different female lines to start a herd with or build into an existing program. You are getting carcass size, superior marbling, maternal traits, and solid front pasture cows all in one very sound package deal.

Delta Theta Sigma Beta Chapter at Penn State University

“Knowledge and Brotherhood in a Bond of Union”

Founded in 1928, Delta Theta Sigma Beta Chapter at Penn State University is a nationally recognized social-professional agricultural fraternity with a membership in agriculture and agriculture-related majors. DTS has established its own scholarship program, and members perform many services to the college, including hosting college visitors.

The membership of brothers and sisters comes from a wide range of backgrounds and majors. The fraternity is active in college events and program clubs.

Involved in philanthropy, two members dance in THON each year, host the *Ethan “Beef” Wolfe Memorial Clay Shoot* each year to benefit a scholarship to further the education of students in the agricultural sciences, have a heavy campus involvement including members in research, clubs, and community service.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
