RANCHER'S CHOICE BULL SALE TERMS & CONDITIONS

All bulls have been fertility tested within thirty, (30), days of the sale and are guaranteed breeders by the sellers. Sellers do not guarantee the ability of the semen to freeze.

In the event an animal is claimed to be a non-breeder, the bull may be returned to the seller at the buyer's expense under the following conditions:

- A) The bull must be in good physical condition with a Vet Health Certificate stating condition and problem with the bull. The bull must be tested for Brucellosis, T.B., and Trich prior to returning. This is at the buyer's expenses.
- B) Seller may replace the bull with a bull of equal or more value and is limited only to the extent of the purchase price in any settlement or adjustment made.
- C) Seller has the right to retest the bull within 30 days after the bull is returned.
- D) The adjustments do not preclude the right of the buyer and seller to mutually agree upon other terms and conditions.

All guarantees and claims are made by the sellers and buyers should look to the individual seller for fulfillment of these guarantees and claims. The Rancher's Choice Bull Sale, Outfront Cattle Service, and Nixon Livestock Commission Co., are not responsible for any guarantees or claims.

The Registration papers on all bulls will be transferred to buyers upon checks clearing the banks. All information on the bulls and registration papers have been furnished to Outfront Cattle Service by the sellers and this information is believed to be correct, but is not guaranteed.

All persons attend this sale at their own risk and Rancher's Choice Bull Sale, Outfront Cattle Service, and Nixon Livestock Commission Co., are not responsible for accidents or injuries.

PERSONAL SAFETY

Your health is of the utmost importance to us. We will furnish masks and hand sanitizer for all who attend the sale. We ask that you practice social distancing as is possible. You attend this sale at your own risk and the Rancher's Choice Bull Sale, Outfront Cattle Service, Nixon Livestock Commission Co., and the consignors are not responsible for any accidents or exposure to COVID-19.

CUSTOMER APPRECIATION REWARDS SYSTEM

All buyers from the 2019 sale have discounts for the 2020 sale from the Reward System. We will offer this feature again for the 2021 sale.

Starting with the 2008 sale, every buyer was entitled to be eligible to participate in a new program that Rewards Buyers for purchasing bulls each year at this sale. Every buyer will receive a 5% discount on bull(s) purchased in the 2020 sale that goes towards purchases in the 2021 bull sale. The discount has to be used in the following year only and does not carry forward.

This program was started to let buyers know how much we appreciate their business by showing a reward for their loyalty in purchasing bulls from these same consignors, year after year! Buyers in 2020 will be credited with a 5% discount in 2021 sale. Since the beginning we have saved buyers thousands of dollars with this system!

EXAMPLE: In 2013, a buyer bought 2 bulls at \$4000.00 each. 5% equals \$400.00 credit towards purchase of bull(s) in the 2014 sale. If you have to buy lots of bulls each year, this will add up rapidly!

In November 2020, we mailed each buyer from the 2019 sale with the amount of their discount from the 2019 sale that can be applied to the 2020 sale. If you have any questions about the program, please contact the Sale Manager.

TRUCKING ARRANGEMENTS:

We will offer another program for buyers in our 2020 sale. In lieu of the 5% Rewards Program, if you choose, we will deliver all purchases of 5 or more bulls Free of Charge. If you choose the trucking program, you will not be eligible for the 5% discount the following year. We constantly work to make your bull buying the best experience we can.

We realize not all programs work for everyone, so we hope this will be of more advantage to some of the buyers in far away locations. We will also allow neighbors to "pool" their purchases to add up to the 5 head as long as the delivery is to one location. If you have any question, please contact sale manager.

WHY CHAROLAIS BULLS?

In a recent publication by E.D. McCabe at Kansas State University, the following results were observed from 2010 to 2016 on Superior Livestock Video Auctions with 3,084,918 head selling:

BREED	\$/CWT DIFFERENCE
CHAROLAIS SIRE	\$8.12
Red Angus Sired	\$6.89
Angus Sired	\$6.26
Brahman-Influence Sired	\$0.00

Combined with the heterosis advantage of increased weaning weights, this makes Charolais bulls the most logical choice for PROFIT in the beef industry! No breed has worked harder to reduce birth weights while maintaining weaning weights!

WELCOME

WELCOME FROM OUTFRONT CATTLE SERVICE

Dear Friends,

I would like to welcome you to our 29th year of sponsoring the Rancher's Choice Bull Sale. We continue to be one of the best Charolais Bull Sales in the nation for quality bulls at reasonable prices. The bulls offered are backed up by many years of exceptional effort in time, resources, and dedication to produce the most dependable and functional bulls possible. The bulls offered have been selected for calving ease, abundant growth, good dispositions, very fertile, and sound in every way.

We continue to appreciate your attendance and support, without it, we wouldn't be at our 29th year of having this sale. It is the oldest continuous Charolais bull sales in Texas and one of the longest running sales in the Nation. First, we must have a quality product to sell, the breeders must stand behind their offering, and you the buyers must get good results from using their product. I think the quality is unsurpassed by anyone! The consignors are also quality Charolais breeders with whom many of you have developed great relationships and would enjoy knowing them, even if you weren't doing business with them. It's always great seeing so many of you each year returning to renew acquaintances and getting your opinions on the bulls. We have had some great testimonials to the results you are getting with using these bulls. We're very proud of the many repeat buyers, (more than 96% are repeat buyers), that we call our "friends" and appreciate your business very much and will continue to strive for the best! And we welcome all new buyers with the same promises, to do our very best to "Earn your Business"!

We are also very proud of the bulls offered and anxious for you to see what we have brought to the sale this year. Looking forward to your visit and evaluation of the bulls in 2020. I think we have a very top offering. If we can be of any assistance, please let us know!

Sincerely,

Dennis Adams

More Pounds. MORE PROFIT.

Breeding good cattle isn't complicated. Cattle feeders give us the ultimate report card. According to Jared Wareham, Top Dollar Angus, "No other option offers the greatest terminal crossbreeding value from the ranch through the feeder like a really good set of smokes or buckskins that are at least 50% Angus or Red Angus."

Use a registered Charolais bull and genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females

The bulls offered in the 2020 Rancher's Choice Sale are backed by exceptional effort in time, resources and dedication to produce the most dependable and functional bulls possible for your program.

We appreciate your interest. Please don't hesitate to contact the sale manager or consignors with any questions.

WE LOOK FORWARD TO SEEING YOU IN TEXAS!

Why Not

Use a Registered Charolais Bull?

If your goal, as a beef producer, is to market a calf with wide market acceptance, why not use a registered Charolais bull? In a recent analysis of seven years of extensive Superior Livestock video auction marketing data including more than two million head of cattle, Charolais-sired steer calves outsold all other English-Continental breed cross steers by \$3.73 per hundred weight.¹

Use genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females
