atompkin@vt.edu

Schedule of Events

Friday, March 13

5-9 PM: Cattle Viewing and Bidder
Pre-Registration

Saturday, March 14

8:30 AM: Showmanship Clinic
10 AM: Cattle Viewing and Bidder
Pre-Registration
12 Noon CST: FALCON PREMIER

A free supper will be provided for the Friday night viewing. Cowbuyer will be there during the day Saturday for those unable to attend. The food stand will run all Saturday, free of charge. We will have raffle items available Friday during the viewing and all-day Saturday along with Falcon Premier t-shirts for purchase. Join us for a fun-filled weekend with great cattle and great people!

Attention Youth: Showmanship Clinic

Saturday morning there will be a show clinic hosted by Katie Coyne of Mill Wheel Show Clinics from 8:30 - 10 am. This clinic is free of charge to all participants. There will be a Weaver product give-away to follow, along with the option to purchase all your Weaver and Nasco product needs throughout the day. Pre-registration is required, you can find the link on our Facebook Event "2020 UW-River Falls Falcon Premier" or on "Mill Wheel Dairy Show Clinics". We ask the participants please bring your own calf show halter and arrive 15 minutes early for registration.

Thank you Sponsors!

Thank you to many and all who have contributed to the success of the sale, including donators of semen, goods, services, monetary donations, and time! We greatly appreciate all your help in making this sale happen! A special thanks to our Supreme Champion Sponsors listed below.

UW-River Falls Dairy Club

Welcome to the UWRF Falcon Premier Sale!

It is our pleasure to welcome you to River Falls, Wisconsin for the 2020 Falcon Premier hosted by the River Falls Dairy Club. Continuing to uphold traditions of past alumni by months of preparation, commitment, and dedication have allowed for this event to happen. This sale not only serves as a fundraiser for the club, but more importantly, as an educational tool and once-in-a-lifetime experience. This experience has allowed us to make new connections within the industry, all while promoting our school and its programs. Sale chairs, committee members, and the entire chapter have all done their part to make this event happen.

We are proud, honored, and humbled to present a lineup of heifers with indescribable potential. The 2020 Falcon Premier is featuring 50 Holstein heifers and, new this year, 12 Jersey heifers. These heifers are backed by some major show winners, genomic giants, strong cow families, and everything in between! These outstanding heifers, as well as animals in their ancestry, are due to many generations of great breeders who showed strong commitment to improving the Holstein and Jersey breeds. We strongly believe these animals are a strong representation of the industry today and will make great additions to any herd, of any size.

This event would not be possible without all the great support from some amazing people. Our first sincere thank you is to the consignors for allowing us the opportunity to market, care for, work with and, on March 14th, merchandise their heifers to their new owners. Without your consideration, support, and cooperation, this event would not be possible. The next big thank you is owed to our committee for all their assistance and knowledge over the past few months. Thank you to our dairy club advisors, Dr. Kelm, Dr. Melka, Dr. Cooper, and Dr. Kehoe, for assisting us to maintain one of the largest organizations on campus, and the largest dairy club in America. Thank you to all of our family and friends for their outstanding support. A very special thanks goes to Randy Kath for filling the shoes of Tom Morris as our auctioneer. Finally, thank you to Cara Ford, editor of the Cattle Connection, for your tremendous amount of assistance, patience, and knowledge in planning this sale, along with Maxine Glasshof for designing a beautiful catalog.

On behalf of the River Falls Dairy Club, we thank you for your interest and participation in one of our club's most rewarding events! We hope to see you in River Falls for the 2020 Falcon Premier, where we will be "Showcasing Heifers with Perfect Vision"!

Eric Wachtendonk and Bailey Larson,
2020 Falcon Premier Sale Committee,
UW-River Falls Dairy Club

In the fall of 2019, the UWRF Dairy Club was proposed with a unique opportunity from the Squire family. We worked alongside the family to assist in preparation of the cattle for their milking and bred heifer dispersal. In exchange for our help, they offered us the opportunity for the dairy club to own our first ever heifer. All proceeds from this consignment will go directly back to the club to assist in funding future opportunities for students. We would like to extend our sincerest gratitude to the Squire Family for this opportunity.

We humbly present Dunn-Brook Solom Mickie-ET!

UNIVERSITY OF WISCONSIN River Falls

Dairy Science at UW-River Falls offers:

- The Dairy Learning Center - a state-of-the-art teaching laboratory and dairy operation just three miles from campus.
- A focus on **teaching**, with faculty specializing in dairy genetics, health, nutrition, production and welfare.
- An on-campus dairy processing plant.
- Numerous internship opportunities and strong industry connections.
- One of the largest undergraduate dairy science programs in the U.S. and the nation's largest active Dairy Club.
- The Dairy Innovation Hub - a financial investment by the State of Wisconsin in education and research initiatives in the UW-System in support of the Wisconsin dairy industry.

Learn more about Dairy Science and all that the College of Agriculture, Food and Environmental Sciences offers.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

1) Each consignor warrants clear title to the animal or lot, and the right to sell same.

2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
