HEALTH: Bulls Have been vaccinated for IBR, BRSV, BVD, PI3, Leptospirosis and clostridial disease. All bulls have been dewormed by choice of seller. Proper interstate health charts required for shipping will be available.

FERTILITY TEST: All bulls will have been semen-tested approximately 60 days prior to sale and will be accompanied with proper documentation.

TERMS & CONDITIONS: All bulls sell under the terms and conditions of each breed association. We guarantee all breeding bulls sold in this sale are fertile to the best of our knowledge. If they are determined to be a non-breeder any time in the next 12 months after purchase, we will provide a satisfactory replacement or issue you a credit less salvage value toward next year's sale. This is not a life insurance policy. We will not replace a dead animal if it is killed, dies, or is injured for any other reason. We would suggest that normal care be provided to these animals.

TERMS OF SALE: Cash. All cattle are to be paid for by the purchaser during or immediately after the sale unless prior arrangements are in place. Cattle will not be transferred until payment is made in full.

PURCHASER'S RISK: Each animal becomes the purchaser's risk as soon as sold. Arrangements need to be made in advance for any animals held over for a later transport date.

DELIVERY: Reputable livestock haulers will be available on sale day to assist with delivery of cattle. We will gladly assist you in this matter. **All cattle purchased must be gone by Monday, March 1st at 12:00 (NOON).**

ANNOUNCEMENTS: Announcements made sale day will take precedence over sale book. We reserve the right to withdraw any animal prior to sale.

SCHEDULE OF EVENTS & FOOD: Cattle will be available at the Montgomery Stockyard for viewing after 12:00 noon on **Friday, February 26th**. Complimentary coffee will be available morning of the sale. The Stockyard Grill will be open during the sale and **Friday, February 26th** from 5:30-7:30 pm.
