We are excited about the opportunity to leverage the strength, size and scope of this group to provide improved marketing outlets for your cattle.

"PICK OF THE PEN" SALE PROCEDURE

All cattle will be uniformly grouped in pens of approximately 4-8 head per pen. The sale cattle will remain in the pens throughout the sale or until ready for loading out. The auction will be conducted inside the shop, but there is no sale ring and no cattle will be brought inside. Each pen will be assigned a very conservative opening bid. We will auction the cattle one pen at a time. In order to start the bidding on a pen, someone must offer the opening bid price and then we auction to the highest bidder, who then has the option of selecting which or however many they desire from that pen at the winning bid price. We continue this procedure until the pen is empty or no one wants the opening bid. If any animals remain unsold in a pen, then we "Pass the Pen" and any remaining animals are available at the "opening bid price" at the settlement table on a first come first serve basis. Any remaining animals will be priced based on quality. None will be priced below their opening bid price.

McDonald Farms

17th Annual Pick of the Pen Bull Sale

SINCE 1763

Saturday, April 4, 2020 • 1:00 PM MCDONALD FARMS, BLACKSBURG, VIRGINIA

Our cows work for us, so our bulls will work for you.

MCDONALD FARMS BULL MANAGEMENT

We believe that the natural resource of forages in this area is our greatest asset when it comes to livestock production. We strive to produce cattle that can utilize this resource to optimal levels. We also know that our end product must meet or exceed the expectations of all our customers, from the commercial cattle

producer, the feedlot operators, the packers and our ultimate customer the consumer. We have selected these cattle for calving ease, growth performance, milking ability, carcass quality, and calm disposition. They have been performance tested on forage rations in big pastures. We want to produce Decathloners and not a Sumo wrestler. They have been tested to be BVD-PI free, AMF/NHF/CAF, and ultrasounded. They have passed Breeding Soundness Exams and Semen tests. They are stout strong bulls ready to go to work.

DIRECTIONS

From Interstate 81 take exit 118 C to 460 west follow until you reach Price's Fork exit to the right. Go 2.5 miles to where the 4 lanes combine to 2 lanes. Look for Cox's Golf Driving Range on the right side and turn right onto Walnut Spring Road. Go .5 mile to sign on the right.

From the West take 460 east until you get to the Price's Fork Exit on the right and proceed as above.
