Sale Managers Note:

After being in the farming business for 40 years, Tim Wood & family have decided to sell their herd of Registered Holsteins at public auction. Most of the cattle trace back to the renowned Gor-Wood prefix. Over the past few years, Woods have purchased into some great cow families as well. This herd looks incredible and has been culled hard prior to sale. If you are a registered Holstein breeder looking for that special cow or a commercial dairyman that needs milk, this is the sale to be at!

Owners Special Note:

The "Museum" is open and we are cleaning out 50 years worth of our cow collection! Sell some off the bottom and come help yourself! Buy great cows at your price and get the great pedigrees for FREE! All milking cows sell. The herd has never looked better and we should have new scores by sale day. Five cows over 100 lbs. up to 118 lbs.! Five more at 95+ lbs. including three at 99 lbs.! Cows have not been pushed we had to stay down 15% for DFA. These cows will make friends wherever they go! HELP YOUR-SELF!

Terms of Sale: Payment by cash or good check is expected on sale day.

Herd Health: The herd is in excellent condition and will be pregnancy checked and inoculated against shipping fever. Cattle are eligible for immediate interstate shipment.'
