The 53rd Annual North Carolina Hereford Classic Sale

is dedicated to to George and Tammy Ward

George Ward is a businessman and cattleman who always strives to help others and he has never met a stranger.

George Ward was born March 7, 1968. He is the son of G.W. and Joyce Ward. George is married to Tammy Everett and they have been married for 26 years. They have two boys William and Andy.

Growing up on the family tobacco farm, after attending Appalachian State University, George returned home to work alongside his dad in their tobacco business, Big Sale Warehouse. In 1993 Big Sale Warehouse was sold and merged with Piedmont Warehouse becoming Piedmont-Big Sale, George continued to work there until 1996 when he became a full-time tobacco farmer and part-time cattle farmer. In 2002 George was elected County Commissioner where he served 8 years. During his term, he served as Vice Chair two years and Chairman for four years. In 2006, George and Tammy purchased an additional business LPN Tax Service and retired from tobacco farming a year later. But that was short lived, in 2010 George was given the opportunity to work as a Receiving Station Operator for Philip Morris USA. George and Tammy now operate stations in Yanceyville, NC and New Holland, PA.

George has always loved cattle. Growing up he and his father raised registered Red Angus cows. In 1992 George purchased his first Hereford Bull from Knoll Crest Farm. In 1997 George and Tammy sold their herd to increase the tobacco acreage. In 2007 preparations began for bringing cows back to the farm. As a family project they began exploring possible different breeds. In March 2008, George and his family attended their first North Carolina Hereford Classic

sale and purchased two cow calf pairs being consigned by Terrace Farms and Double N Farm. W & A Hereford Farm was then born. Over the next few years George and his family attended sales, building the herd. In 2011 W & A Hereford Farm sold their first consignment in the North Carolina Hereford Classic Sale. Since then, Herefords have been also consigned to sales in South Carolina, Tennessee, and Virginia on a regular basis. Additionally, bulls have been entered in The Virginia Finest Bull Test and Butner NC Bull Test.

George also quickly became involved with the Adult Association and the Junior Association. George was elected to the Board in 2010 and is currently serving as President. George loves attending sales throughout the Southeast. George feels that by attending sales he is helping to promote NC Herefords while make lasting friendships and partnerships.

We are truly honored to have the 53rd Annual North Carolina Hereford Classic Sale dedicated to our parents. As dad would say "the most beautiful sight is the red and white faces on a green pasture".

— William and Andy Ward

- These comments apply to lots 6, 7 and 8. These open yearlings by Made Believer will have nice udders and be functional. We wanted to make sure this sale had ample lots to support the efforts of all consignors so Dale convinced us to add these brood cow prospects. Don't overlook these three open heifers as they could be the buys of our offering.

• We've been asking what it takes to make a Hereford steer that's competitive at any level? The response has been a big back, a great set of feet and legs and an extra-cool look. This son of the 2017 North Carolina State Fair Grand Champion bull checks all the boxes! He's dead broke and ready to go on the road. Don't forget, he's got to be NC eligible!

• This dark red, heavily pigmented daughter of the 2017 NC State Fair Reserve Champion Hereford bull is gentle enough for any junior and with her look and style her show career will be a fun ride. More importantly, this granddaughter of the great Hometown 10Y is a deep, easy fleshing heifer set on a soft, flexible framework that makes for the right kind of brood cows.

- Belle Star is a daughter of Homeward and is MDF. Homeward makes great calves that are unfortunately greatly limited by him being an MD-carrier. Here is a carrier-free daughter that has great and well-balanced GE-EPDs. These genetics will be a plus in any herd.

 • ECR Who Maker 210ET daughters are rare, and combine that with Miles McKee and the famed Diana on the dam side, you have a pedigree that is hard to find anywhere. Her dam was the Supreme Champion Heifer at NC State Fair Open Show in 2017. This heifer is stout, big-footed and deep-ribbed. She has the pedigree to make some future stars of your own. She is halter broke if you want to show her this summer and fall!

- Wow! Here we are offering one of the best heifers we have ever raised. She is by the well-known Hometown 27A. She has it all in one package. Clean-fronted with a thick back and deep hips that are well put together all the way down into her hindquarters. She has impressive bone and still walks like a lady, and her deep red coat sets her apart from all the others. Halter broke and ready to be slapped grand champion. Her dam is fertility-proven with time-bred AI - four calves with four straws of semen and has an almost-flawless udder.

• This cow we partnered on with Grubbs Cattle Co. in Texas. She's a Ladysport daughter. Churchill Cattle have a full sib in their donor pen as well. I can't wait to see these calves on the ground next year. Take your pick of the sire.

• Consigned by Day Ridge Farm, Telford, Tenn.
